

# Cottesmore Pony Club

Plenty of fun, make new friends, compete at all levels

## Junior and Mini Camp

So many of our young members exhausted but happy at the end of camp; rosettes and awards for all

The last week of July and our Junior and Mini members all had a superb week learning through riding regularly under the careful eyes of Jo Holmes-Cole, Emily McLane, Jane Williamson, Becci Williams and Alex Tordoff. As always the improvement in riding was enormous. The visit for the Juniors to Ayelsford Cross Country was a great success, with them all excelling in their performances. Then added to that an Introduction to Polo by Ed Winterton was hugely enjoyed by one and all. Some more Polo players next year?

1

### TRAINING

The backbone of Pony Club activities. The way to improve

2

### PICNIC RIDES

The delight of making lifelong friends - Parents too!

3

### EFFICIENCY TESTS

100% Pass rate for our C and C+ Candidates! Well done

### Winner at the Areas

Well done to Bea Lovett-Brunt 1st Ind. at the Areas in the 80cm eventing

### Our growing Polo teams

Our members playing Polo is on the increase

### Success at Pony Club Camp

Well done to Teagan Owen obviously delighted with her awards

## Show Jumping Teams as successful as ever

All our teams have been in the ribbons this season.

This season our senior teams (Alice Freeman, Gracie Lovett-Brunt, Patsy Brake, Millie Luddiman, Becci Williams) have been consistently in the ribbons convincingly winning almost everything at our own Show Jumping, but the Areas this year were not their day.

Our junior teams are growing all the time. The 90cm team (Millie Parrington, Lou Arnold, Breanna Tye, Ned Hercock) were fourth out of 24 teams at the Area competition with Millie Parrington riding three superb rounds to finish 2nd individually and so getting her ticket to the National Championships. The team contained two of our members (Ned Hercock and Breanna Tye) who attended our Stars of the Future course in the Spring, successfully building on the work starting then.

The 80cm team (Florence Ashmore, Tess Cunliffe, Demi Bradshaw, Molly Turcan) rode brilliantly and were second getting their ticket for the Regional Championships at Keysoe on 9th/10th September. Jared Busby-Powell also got his individual ticket for the Champs. Good luck to them all. Again, Molly Turcan and Tess

Cunliffe another two of our Stars of the Future, demonstrating their learning from the Stars of the Future course. At the Game Fair, our team (Florence Ashmore, Jared Busby-Powell, Eliza Culloty, Demi Bradshaw) were delighted to win their spurs by convincingly winning their Class, and were played out to Colonel Bogey in their victory lap.

## DRESSAGE AND EVENTING

There is no doubt that the Cottesmore Dressage is improving; we only just missed out on a qualification for the National Dressage Championships at Intermediate level with Yo-yo Farmer-Day coming second, but where only the winner qualified. Our 80cm team (Bea Lovett-Brunt, Georgie Dick, Sophie Jeffries and Molly Turcan) have all qualified for the Regional Championships so we will watch them carefully

In Eventing we have the delight of qualifying an 80cm team (Florence Lissaman, Florence Ashmore, Demi Bradshaw, Tess Cunliffe) and an Individual Bea Lovett-Brunt for the Regional Championships.
