

What's App Groups

As a busy Pony Club branch we are always aiming to improve & simplify our communications. We are already active on Facebook and the CHPC website. The CHPC website will remain the primary source of information and the means of booking and paying for all training sessions.

However, in an attempt to continue to enhance the membership experience we have introduced some What's App Training Groups.

These will be for the distribution of training information purposes only i.e. reminders about closing dates, new fill-in sessions, cancellations, changes of venue etc, and will be run along age/experience lines. They will be opt-in and are intended to be fully inclusive of all members.

They are not intended to be a chat forum or a discussion group. Photographs of teams etc, congratulatory messages etc should be confined to the CHPC Facebook page.

Each group will include the DC (Barbie Coulson), Committee Training Representative (James Brown) and the Head of Coaching (Emily McLane) as members.

Details of all Groups and the contact details of each organiser will be available on our website enabling easy access to all.

We would strongly encourage all members to contact the group admins below to be added to the groups.
