Cooler rug

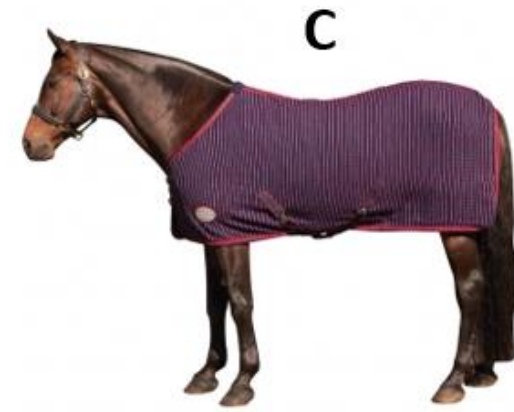

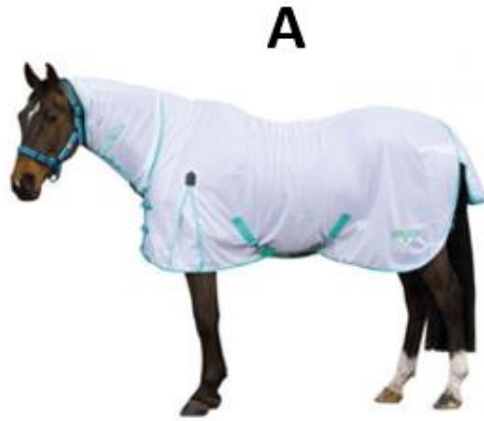

Turn out rug

Task 2

Circle the rug that would be most useful to help to cool and dry your horse after a bath.

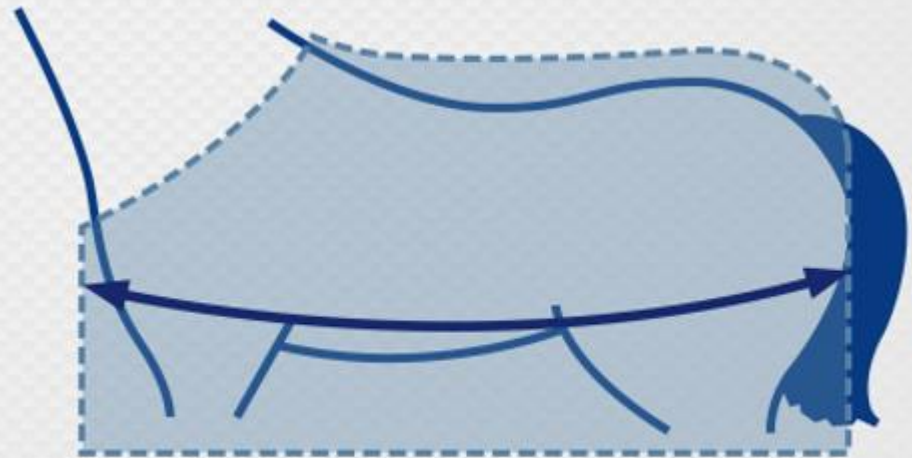

Circle the rug that should be used to keep a clipped horse warm in the stable.

Task 3

How to measure your horse for a rug:

- ① Rugs are usually sized in three inch increments
- ② The measurement refers to the distance from the centre of the chest of the horse around the body of the horse to the rear of the quarters where you expect the rug to finish
- ③ If your horse is between sizes, choose the bigger size.

What size rug does your horse need?

Answer: _____
