

AREA 19 EVENTING , CHAMPIONSHIP QUALIFIERS, REGIONAL QUALIFIERS, AND JUNIOR EVENTING COMPETITION 3 July 2019 at Hopetoun Estate, South Queensferry

This is a preliminary entry form and information for the Area 19 Eventing qualifiers 2019 – please complete and return the form by Monday 3rd June. (or alternatively email the information requested) to edinburgh@pcuk.org

We are asking for an estimate of number of teams and individuals only – this is required to allow us to plan the day and organise officials/volunteers. Please note passports and hats will be checked on the day and Pony Club vaccination rules will apply. Please ensure members check their passports before entering.

Organising the event requires nearly 140 people on the day, and more help setting up the competition, so we are asking each branch as a requirement of entry to organise a **minimum of four representative adults** to help on the day for full day duties which will include fence judging or stewarding collecting arenas, scoring, etc. (The majority will be asked to fence judge, which will start with briefing around 8.30am and finish around 6pm, but there will be other jobs at different times throughout the day for part day helpers.) All full day volunteers will be given 'complimentary' lunch and tea/coffee. If possible, do not allocate people who are involved with helping competitors, as a full day help is required. You may substitute two half day helpers for one full day helper if you wish. Half day helpers will be given coffee/tea vouchers which can be redeemed at the 'Judges refreshments' tent. Please fill in their details below and we'll get in touch with them, to send out any information needed and organise them for the day.

We are also requiring **each team** taking part to help out for a short period during the day either well in advance to their ride times, or after they have finished. The duties will be covering an hour of either pole stewarding in the show jumping or being a runner for the cross country or dressage scores or packing away dressage boards or show jumps. Each team will be asked to report to the Secretary's tent at their allocated time slot for their duties.

Branch Fence Sponsorship £100

This event involves huge build and running costs which are sadly not met by entry fees, last year there was a significant deficit. Rather than increasing entry fees we therefore are asking each Branch taking part to either 'Sponsor a fence as a Club' or find a 'Fence Sponsor'. Please supply your Sponsor's details and payment of their £100 sponsorship fee can be made to L&S Event account:
Sort Code: 80-05-56 Account number 10213568
Your Cross Country fence will be named after the Sponsor and mentioned numerous times during the event!

Entries are open at www.equoevents.co.uk and will close on 19 June.

Stabling

Stabling will be available by booking direct with SNEC by calling 01506 865738 or email stables@snecc.co.uk price per horse per night is £30.00.

RETURN FORM PLEASE FILL IN BELOW by 3 June to edinburgh@pcuk.org
