Test Training

This training is for members who are working towards taking the relevant tests, or who are riding at that level and just want some good training.

Please make sure that you have an up-to-date syllabus to check the test requirements before attending. You can download these from The Pony Club website at www.pcuk.org Bring the syllabus along with your Manual of Horsemanship and a notebook.

Horses/ponies should be fit enough to do two riding sessions, both flat and jumping. You may be asked to change horses during the training, so please make a note if you are unable to do this for any reason.

Don't forget to bring hay and water for your horse.

You will receive feedback, so it would be very useful to take notes at the end of the day to pass on to your Branch/Centre coach.

The cost is £75 for the day.

You will need to give details of what Pony Club tests you have passed along with information about the horse you are bringing to the training.
