OBJECTIVE AND RULES 2025-26

6. Organisation of Competitions

6.1 Organisers are encouraged to organise the competition so as to allow Individuals and non-Winter League Teams to compete.

6.2 If a competition is over-subscribed resulting in some entries having to be refused, the Organiser must give priority to Winter League teams, over non-WL teams and Individuals, provided the entries have been received prior to the entry closing date.

6.3 Course changes, between all Classes, should be such as so to provide a “substantially different” course ideally incorporating a least one different obstacle with a change or route. (NB the addition of a single obstacle, without altering the route of the course itself, would not be sufficient to make the course “substantially different”).

Mixed Teams

6.4 The Organiser may place members, who are not in a Winter League Team, into non-Winter League Teams at their absolute discretion.

Order of Jumping

6.5 In the first Class, the Team representing the host Branch/Centre will jump first. In the later classes this may be reversed, so those Teams who have further to travel jump earlier.

6.6 In all Classes Winter League Teams should jump first, followed by any non-Winter League Teams and then Individuals.

7. Results and WL Points

7.1 The result of the Individual competition will be decided upon the total number of faults incurred in the two sections. The combination, horse and rider, with the least number of faults being the winner. In the event of equality of faults, the least time taken to complete the timed section will be the deciding factor.

7.2 The result of the Team competition will be decided upon the total number of faults incurred by three riders. The Team with the least number of faults over the two sections being the winner. In the event of equality of faults incurred, the least time taken to complete the timed section by the three riders, whose faults were counted in that round, will be the deciding factor.

7.3 Winter League Teams and Individuals, placed first to sixth in each Class, will be awarded Winter League points on a descending scale of six points for first place, and one point for sixth place. When awarding Team points, should a Winter League Team be placed below a non-Winter League Team, for the purpose of awarding points the non-Winter League Team should be ignored.

AREA 5 OF THE PONY CLUB WINTER LEAGUE SHOW JUMPING OBJECTIVE AND RULES 2025-26

7.4 The Organising Branch shall publish the results of each Class in writing or use live scoring, such as Pony Club Results. Where results are displayed in writing a full list of riders, faults incurred and provisional placings are to be available on a noticeboard, where they can be seen at least 15 minutes prior to the presentation for that Class, to allow time for objections to be made and/or errors to be corrected.

7.5 The Organiser shall appoint, if required, a Jury of Appeal consisting of the District Commissioner of the organising Branch(es), one of the judges and the Area 5 Representative. If the Area Representative is not present then the DC of a visiting Branch not directly involved in the appeal, may be invited to join the Jury.

7.6 Protests and Objections will, as far as possible and consistent with these Rules, be dealt with under the relevant paragraph of the Pony Club Show Jumping Rules.

7.7 The Organiser shall, within seven days of the Competition, post the results on Pony Club Results and shall send/scan a copy of the full lists of riders, faults incurred and results to the WLSJ secretary.

8.2 Each Class shall be deemed to be a single Team competition, involving Winter League and non-WL Teams, although non-Winter League teams will not be awarded points, they will be equally eligible for the award of rosettes and prizes.

8.3 In each Class an Individual competition will run alongside the Team competition. All combinations entered in the Class will be eligible for the award of rosettes.

8.4 Rosettes will be awarded at the end of the season to teams placed 1st to 4th and to individuals placed 1st to 6th in each class, based on the total number of points accumulated during the season. Prizes to 3rd place will also be awarded to both teams and individuals in each class.

9. Competition Dates and Other Classes

9.1 Competition dates will be agreed at the Area and Branch DC' s meeting ahead of the Season and will be published on the Area 5 website. Clashes with other Area or Branch competitions should be avoided. This is to ensure that entries are maximised at every competition through the Season.
