ENTRYMASTER our new entries booking system!

Have you booked into any activities lately? Then you'll have seen that we have a new entries system that will hopefully be much more streamlined, reliable and user-friendly than the old one. No doubt there'll be early snags, but please bear with as we all get used to the new format 😊

EntryMaster gives us the ability to attach info such as show schedules, dressage tests or other information directly to bookings. It will be much easier for Yvonne our treasurer to link bookings to payments. PLEASE BE AWARE THOUGH, IT WON'T NOW BE POSSIBLE TO BOOK IN WITHOUT MAKING A PAYMENT!!

Check it out - <https://curre.lite.events>

Before making any online booking, please double-check your diary. Under our refunds policy, NO refunds can be made except in the most exceptional circumstances of illness or injury to horse or rider, or cancellation by the club. Sometimes it may be possible to carry payments forward to the next equivalent event – please discuss this with the event contact person.

INTRODUCING.... ELLEN GLOVER

After coaching the Curre seniors in dressage for the last five years, sadly we have to wave goodbye to our friend Emma Corbett following her move back to West Yorkshire. Thank you to Emma for all your help and best of luck with your future career!

How lucky we are to have Emma's shoes filled by ex-Curre PC member ELLEN GLOVER, who not only works for Carl Hester & Charlotte Dujardin but is a

British Dressage Recognised UKCC qualified coach in her own right. Welcome on board Ellen – seniors, please support her monthly Monday evening sessions.

THANKYOU to everyone who returned our 2022 Camp Survey. Rest assured we'll be taking your comments into account and aim to start planning Camp 2023 early in the new year.

Are you sporty? Love a challenge? **Tri and Tetrathlon** could be for you!

Unique to Pony Club, it's a combination of target shooting with air pistols (or beanbag 'shooting' for under 8s), swimming and running – with riding added in summer to make a full 'Tet'.

Compete in a branch team or as an individual to try and win rosettes or simply top your own personal best scores across all the phases. It's some of the best fun you can have in Pony Club

On **Sunday 6 November** we are holding our own **Triathlon** at Monmouth School Sports Club. Besides being our branch's only fund-raiser, this annual event buzzes with entries from Pony Club triathletes from far and wide. Come and see what it's all about – there are classes for everyone from ages 2 to 24! We need lots of help running the day too – offers welcome. Find out more about how to get involved from our Tri/Tet coordinator **Cheryl**.
