Cross Country Rally at Stratford Hills

Groups will be for 2 hours either morning or afternoon. If you can only come am or pm we will do our best to accommodate you but can not guarantee it. Please remember that you can no longer wear hats with fixed peaks to compete or school over fixed fences under Pony Club rules.

Cross Country Rally at St Felix Southwold

Groups will be for 1 hr. This rally is intended for members who have not been cross country before or who have done very little cross country riding. It is a small enclosed course and we will only have a maximum of six members on the course at a time. If you are not sure about cross country please ring DC or Lisa.

Will you please send one rally slip per member to be sent to Lisa Kenyon and arrive one week before the first rally you want to attend.

Please send the appropriate fee with the rally slip. We are finding that a number of members are telephoning their rally requests and are then not coming to the rally and not paying for the rally. This is not helping our cash flow situation so don't be surprised if in the future you are invoiced for these rallies and members who do not send payment will only be put on the waiting list for rallies.

When you arrive at a rally will you please report to the person in charge and if it is an all day rally note the ride that you are in. When you are mounted will you then assemble by the sign for your ride.

The time that the rally starts is the time that we want you to start riding not the arrival time. So will you ensure that you arrive in good time for the rallies.

TURNOUT OF PONY AND RIDER

We do ask that members are well turned out at all times. You are representing your Branch and owe it to yourself, and your pony, to look smart and clean. So please clean your tack before you attend a rally. Girth and numnah should be white, black, navy blue or brown. No bright colours. Member should wear long sleeved white shirt, PC tie and badge, light coloured jodhpurs, hacking jacket or Pony Club Sweat Shirt, correct foot wear, and black or navy silks on hats. Hairnets where necessary. **NO EAR RINGS OR STUDS ANYWHERE !**

If you are lead rein or just off will you please state this on your rally slip in the “any other information section”.
