

## **SPRING PROGRAMME 2015**

### **ALL DROPPINGS MUST BE PICKED UP BY MEMBERS/PARENTS AT ALL RALLIES PLEASE**

We have two full-day rallies at Glevering, and cross-country rallies at Stratford Hills and Boundary Farm for the younger children.

We apologise for the increase in rally costs especially Stratford Hills. They are now charging £25 for every horse so the cost has had to go up substantially.

We will do our best to accommodate everybody in a ride of their level. Rally slips must arrive at Mrs Kenyon's one week before the rally. You may book more than one rally on the slips but please use one slip per member/pony

Please send the appropriate fee with each rally slip.

**Members will not be included in the rally until slip and cheque is received**

**The time that the rally starts is the time that we want you to start riding not the arrival time. So will you ensure that you arrive in good time for the rally.**

### **TURNOUT OF PONY AND RIDER**

We do ask that members are well turned out at all times. You are representing your Branch and owe it to yourself, and your pony, to look smart and clean. So please clean your tack before you attend a rally. Girth and numnahs should be white, black, navy blue or brown. No bright colours.

Member should wear long sleeved white shirt, PC tie and badge, light coloured jodhpurs, hacking jacket or Pony Club Sweat Shirt, correct foot wear, and black or navy silks on hats. For cross country you must have a body protector and a hat without a fixed peak. Hairnets where necessary. If the weather is cold you can wear a topcoat. **NO EAR RINGS OR STUDS ANYWHERE !**

**If you are lead rein or just off will you please state this on your rally slip in the "any other information section"**
