BEFORE THE EVENT

Drawn Order - There is a drawn order for every class please check the website for the running orders.
<http://branches.pcuk.org/essexhuntnorth/>

You must be there to compete on time.

Course Walking - The course will be available to walk from 2pm-6.00pm on Saturday 19th September. There are maps of the courses at the end of this information. In the event of adverse weather conditions, please check website <http://branches.pcuk.org/essexhuntnorth/>

Number Bibs - You will also be required to print your own bib numbers and bring them with you to the event. Please note that you will have a different number for each class you enter (this is to aid our scoring). You will need to print all your numbers and note which class and, for some of you, which horse, they are for. Pairs will have the same number and both riders must wear this number for your round. You will only need to display one of your numbers in your vehicle windscreen. You can find a template for numbers here: <https://www.britisheventing.com/media/4103>. Competitors can write their number on an A4 piece of paper, but it must be clearly legible. Remember to print one for each side of your number bib and one for your lorry or car. You will need 3 copies of one of your numbers and 2 copies of any other numbers. We will not be selling bibs on the day so please make sure you have your own bib. Bibs should also not be shared with riders not in your household or bubble.

AT THE EVENT - ONLY REGISTERED PEOPLE ALLOWED ON SITE

Do not attend if you or a family member has symptoms of Covid 19. Refunds will be given to anyone in this situation.

ON ARRIVAL

You will be greeted at the gate by our 'Information Team.'

Display your number clearly in your lorry window.

We will check that those accompanying the rider are the same as you have declared on your entry. If your nominated person cannot attend, please email any changes BEFORE the event to sallynicola@yahoo.co.uk. This is very important as it is a legal requirement for us to track and trace.

Parking - You will be directed to park at safe distances from each other. Current recommendations are 10m apart if there is tying up allowed on both sides of your box; 5m where tying up is on one side only, and 3m apart where there is no tying up allowed. This allows social distancing to be maintained. You should maintain social distancing from everyone other than those from your own household or bubble.

If you need a **HAT TAG** please notify the Information team on arrival who will ask you to park to one side whilst your hat is checked. Please ensure your hat is ready to be tagged with the Standards easily visible. You will not be able to compete if your hat is not tagged. Here is the link to the pony club hat rule - NO FIXED PEAK HATS ALLOWED AT ANY HEIGHT <https://pcuk.org/media/3t2nxfnb/hat-rule-2020.pdf>

Body Protectors - These must be worn at all times when mounted and must be to current standard. Details of the current standard may be found here - <https://pcuk.org/media/hh4h35mb/body-protector-rule-2020.pdf> At this event you will NOT be permitted to continue after a fall on course.

Hair and Jewellery - Please make sure your hair is tied back with a hairnet and any earrings taken out.

Passports and Numbers - You will not need to go to the entries secretary to have your vaccination record checked or to collect your number. EHNPC Officials on site will carry out random vaccinations checks in the horsebox park, and so you need to still remember to have your horses' passports with you, but you will not be required to present your passport on arrival. You will have already printed your rider number/s and brought them with you

WARM UP/ COMPETE

A maximum of 10 horses will be allowed in the warm up area. You will not be allowed into this area more than 20 minutes before your riding time. A steward will be managing this. You will be called forward by the steward to go through to the starting area. Riders & Horses only in all warm-up areas – no helpers / parents on foot please – you may watch your competitor from the adjacent area, keeping 2m apart from each other.

PARENTS / SUPPORT - PLEASE DO NOT CONGREGATE IN GROUPS.

YOU ARE EXPECTED TO RIDE ON YOUR ALLOCATED TIMES. IF YOU DO NOT DO SO, YOU RISK BEING UNABLE TO COMPETE.

We ask that competitors maintain social distancing when riding. We ask that once you have completed your round you return to your vehicle as soon as possible and once you have finished competing, you leave the site as promptly as possible.

Rider Falls - If you fall off in the lorry park or warm up you must be checked by a paramedic before continuing to compete. If you or your horse falls on the course, you may only continue at the Fence Judges / XC Control's discretion. Our fence Judges are not allowed to help you remount. A second fall will result in Elimination.

All rider fallers must be checked by a paramedic before you leave the site.

DELAYS

We always aim to run to time, however delays are, at times, unavoidable. In the event that we do experience delays we will communicate to those at the event via our commentator. We ask you to be patient and wait with your vehicle, maintaining social distancing. We will have to maintain our limit of 10 riders in the warm up areas and will advise those arriving at the event or the collecting ring if we are experiencing a delay. You may find more information at our 'information point' located at the entrance. Please observe a social distance of 2m at all times, when approaching officials and other competitors. If we experience a major delay we will communicate via our social media page on Facebook - 'EHNPC Events'.

REFRESHMENTS - On-site catering is available, in line with current government guidance. You need to maintain a 2m social distance when queueing and enjoying the catering facilities.
