Further Dates

Further dates and team questionnaire for **Team and Area Competitions** will be sent out in due course. Please go to the main Pony Club website <https://pcuk.org> and the Area 8 website <https://branches.pcuk.org/area8/area-competition-dates/> to see further Pony Club competitions and events.

Please note:

For all rallies and clinics, acceptance is at the discretion of the Committee. On safety grounds, this is particularly relevant to CROSS COUNTRY clinics – you **MUST** be able to safely control your horse/pony in a group situation outdoors. If applying for the cross-country clinic in February, please consider how much work (not just in an indoor school) your horse or pony will be doing over the winter. There will be further opportunities in the Easter holidays.

Definition of a 'Rally'

Most of you will be aware that to be included in branch teams or to go to camp, a certain number of rallies must be attended to qualify. A 'Rally' is any branch mounted training session open to all (including those restricted by age only) of at least one hour's duration: e.g. the evening Show Jumping sessions at Lt Bromley count as a rally but you need to attend 2 half hour dressage sessions.

Rally Bookings

Please book rallies via WebCollect <https://webcollect.org.uk/esssuffolk> If you have forgotten your log in details or have any other problems using the site, please get in touch with Sophie Bardrick 07968 849304 sophiebardrick@gmail.com

Places are allocated on a first come, first served basis and are strictly limited in most cases. You will only be advised if you do NOT get a place. In normal circumstances, refunds will not be made but if there is a waiting list and your place can be filled, up to the night before the event, a refund will be made. **If you are unable to attend a rally you have booked please contact the Organiser of the Rally asap.**
