

Rolleston ODE Sponsorship Packages 2024

On the 22nd & 23rd June 2024, we are holding Rolleston One Day Event. This competition is growing in popularity and reputation, now running over two days attracting around 300 competitors from across the region.

Our XC is designed by Andrew Heffernan, British Eventing course designer and built by European and Pan American Games course builder Dom Moore's team at Jump1. This year we are aiming to grow our shopping village alongside the horse trials increasing spectators in the heart of Leicestershire.

About our club

We are an equestrian youth charity, Fernie Pony Club is one of the oldest Pony Club branches in the UK - though over the past decade we are proud to have developed a broad and truly diverse membership with a core aim to have a positive and lasting impact of lives of young people who join our club.

Email: dc.fernie@pcuk.org or call Kate on 07590 765608 if you can support us!
