

`Where to go now in the Pony Club after passing the C+ test?

Firstly congratulations on passing your C+ test this is a great achievement. We thought we would give you some information on what you can do now in pony club.

B Test

This is a great informative test for anyone that has passed their C+ test. You can take the riding and stable management separately. These tests are put on by Area. You can ask your DC about training for it. This test is recognised worldwide so is very useful when you are travelling as employers will now what standard you are. The B test maps across to Stage 2 BHS.

Lunge Test – The Full B Test or B Test Care must be held before entering the Lunge Test.

Lunge training can be done in branch or contact Julie or Eileen to see if you can join anyone else. The test can also be done in Branch or at a B test day, please contact Julie for more information. This maps over to BHS Stage 2.

AH Test – The B Test Care and Lunge Test must be held before entering the AH Test

The training is very informative and educational in gaining knowledge of looking after your equine and takes place via zoom and practical. Gaining your AH test maps over to BHS Stage 3 Care & Stage 3 Lunge.

B+ Test – The Full B Test and Lunge Test must be held before entering the B+ Test

This is a good test between B and A. It gains you knowledge of the horse's way of going and certainly helps you with tools in your toolbox.

YELA – For ages 13 – 25

The Young Equestrian Leaders Award is a great way of volunteering within the pony club. The scheme not only recognises the time and effort spent volunteering, but also facilitates young people to gain a range of skills and experiences, setting them up to become leaders of the future. This is a great thing to put on your CV for education or working.

Senior Training

This is put on by Area 9 for the older members and uses very experienced coaches. We cover dressage, show jumping and eventing. This can be found on the Area 9 calendar or your branch calendar. There is also a training clinic that your DCs will have details of.
