TEST TRAINING 2026

Training for the new syllabus Pony Club Tests will be offered for all levels during 2026. Below are training dates and booking details for D+.

C+ Training is ongoing at the present time

C Test Training will take place in September 2026. The D and D+ Tests must be achieved before taking the C Test. Recommended Minimum age: 11 years. Syllabus can be downloaded from PC Resource

Although it is no longer necessary for members to pass Riding & Road Safety Achievement Badge and Mini Badge at appropriate levels before being able to complete Tests. As a Branch we think all members should work towards the R&RS badges and we will be offering members an opportunity to take part in training for these badges.

In this newsletter we are offering training for **Achievement Badge /Advanced Achievement Badge** (22 January, 25 February and 18 March). These badges are now linked into test training for D+ and above so it is recommended that members taking part in test training also attend these badge training sessions if possible.

Likewise the **Mini Achievement badge training** (Friday evenings with Lizzie see below for details) are linked to the lower test levels (E and D Tests).

D+ Test Training

The D Test must be achieved before taking the D+ Test. Recommended Minimum age: 10 years. Syllabus can be downloaded from PC Resource Hub.
