

RALLIES

Attendance at rallies is important. Rallies, camps, clinics and training are open to Pony Club Members only. Competitions are open to all. An annual charge is made towards Rally costs (this will be £70 for 2020) due to be paid before the March rally closing date (28 February for 2020) each year or pro rata for later new joiners. Charges for Camps, Training, Clinics & Senior Rallies will be advised on application forms emailed to members or available from the Branch web site, <http://branches.pcuk.org/invernessshire> All horses and ponies attending Pony Club must have up to date vaccinations for equine influenza.

If you wish to come to rallies, look out for the email, sent out in advance of each rally, advising that the booking system is available for that rally, log on via the website and book on by the deadline given, so that we can book instructors. If you have not let us know that you intend to come, you may not be able to take part. **Please** let us know if you have to **cancel**.

Rallies and Camps marked * count towards qualification for Area Qualifier team selection.** Riders and horses will not be considered for an Area Qualifier Teams unless both have attended at least three Mounted Rallies between July 1st, 2019 and the submission of entries. **Fixtures in blue are arranged by area or nationally.**

COMPETITIONS

Competition schedules are available by email or from the Branch website. **Please** send your entries in before the closing date. Members taking part in Competitions such as Dressage, Show Jumping, Eventing, Endurance, Tetrathlon and Mounted Games should make themselves aware of the Pony Club Rules for that discipline (these rules are available on www.pcuk.org).

IMPORTANT

It is mandatory for all members to wear a protective helmet manufactured to one of the minimum standards listed in the Pony Club Hat Rule 2020 <https://pcuk.org/media/3t2nxfnb/hat-rule-2020.pdf>, while mounted on a horse or pony. It is your responsibility to have your riding hat checked by the DC or Chief Instructor and tagged to show it meets these standards. All hats must bear a Pony Club, British Eventing (BE) or British Riding Club (BRC) aquamarine tag. Jewellery such as earrings **must** be removed before you ride. Any member who falls off their horse or pony may be taken aside for a five-minute assessment at discretion of on-duty First Aider to rule out concussion.

Horses, ponies and riders should be correctly turned out for Pony Club. A safety inspection will take place before the start of Rallies and Camps. Marks may be awarded for good turnout throughout the year. Inverness-shire Branch sweat- and polo- shirts and hoodies are available for casual wear.
