

## **Camp Application Form 2026**

**(running between Tuesday 28<sup>th</sup> July to Friday 31<sup>st</sup> July – not all camps will be the full duration – more details will follow once we have all registrations in**

### **Equine Influenza Vaccination Schedule:**

- An initial primary course of two vaccinations must be given: the second vaccination must be administered within 21-92 days of the first vaccination.
- Horses may attend events 7 days after receiving the second vaccination of the primary course. (for clarity: no horse or pony may compete on the same day as a relevant injection is given or on any of the 6 days following such an injection).
- The first booster must be administered within 7 calendar months following the date of the administration of the second vaccination of the primary course.
- Booster vaccinations must be administered at a maximum of 12 months' intervals.

**NO HORSE OR PONY WILL BE PERMITTED TO ATTEND IF UNVACCINATED AS PER ABOVE GUIDELINES**

For all camps there will be at least two opportunities per day to ride, practical demonstrations, stable management and above all lots of fun.

Whilst we encourage members to be independent at camp we appreciate that some members will need help and this will be catered for.

Once we have an idea of numbers we will be in touch to complete medical & veterinary forms, check T-shirt sizes and give your further information about the camp your child will be on.

If you have any questions in the meantime, please contact Emily Shimell via email [Emily\\_1985@live.co.uk](mailto:Emily_1985@live.co.uk) or on 07624247430.
