

July 2020

Dear Member

We are planning to utilise the “my riding life” package for some competition entries. Many of you are likely to have already established rider pages for other clubs and familiar with the system. For those that have not used “my riding life” before, we have set out below guidance on how to use and set up your own personal rider page.

Please see below details of how to set this up.

www.myridinglife.com

- Click – Register
- Enter your email address
- Create a password
- Enter your first name
- Surname
- Use click done option to enter ‘county’ - Jersey is listed
- Tick billing contact, rider and owner

- **Then click register**

Follow the instructions and enter the details as requested:

ie your title, full address, telephone numbers etc.

Make sure you the box : BSJA member (*as we usually use their numbers*) and enter your horse number.

Then click save

Save

secreta....docx ^ Show all

Once all information has been saved – a message 'saved successfully' will appear.

This creates your rider profile and then you just need to enter details of your horses by completing the relevant details.
