

LEDBURY HUNT PONY CLUB

Isaac had a good run and a PB a shoot. Individual placings were 8th for Charlie, 6th for Isaac and 3rd for James.

Area Quiz

Jen Clements did a brilliant job preparing 15 of our members for the Area Quiz hosted by the Malvern Pony Club. We had two mini teams, a new section for this years competition and three junior/senior teams. The minis were 5th and 2nd with the junior/seniors being 11th, 13th and 16th. The next competition is the Area Horse & Pony quiz at Lincomb.

Visit to Three Counties Equine Hospital

A brilliant visit was organised by Lucy Middlecote to the Three Counties Equine Hospital at Ripple. 30 members got a tour of the facilities which included the x-ray room, MRI and bone scan rooms, operating theatre with lots of information being absorbed by the members.

We have more visits planned to the Tweenhills Stud at Hartpury and a tour of Badminton Stables with a picnic afterwards.

Pony Club National Winter Triathlon Championships at Stoke Mandeville.

We had four members qualified for the champs in three different age groups. In the senior girls Emma-Jane got off to a strong start with a seasons best shoot, a good run and swim coming individual 29^{th} and team 6^{th} place.

In the minimus girls Mimi had a PB in the shoot and run being placed individual 24th and team 15th.

In the junior boys section Felix had a PB for his run, great swim breaking 9L and a good shoot to get 9th place individual. Tom had a great swim and good shoot to get 13th place and help the Area 9 Junior Team to 2nd place

Ledbury Hunt Gloucester Races and Country Fair.

One of our members, Ollie, was competing at Maisemore in the 138cm pony racing. This was ollie's third race of the season where he rode superbly to be placed 2nd.

With rallies abot to get int full swing at Gadbury and there being so many new members I thought I would add the Pony Club dress code for you all.

<u>Rider</u>

Correct Dress – What to wear is based on being firstly safe and secondly sensible. New clothing is not expected, but what is worn must be clean, neat and tidy.

+ For Rallies members should wear the Ledbury Hunt Pony Club sweatshirt. This should be worn over a shirt with Pony Club tie. A Ledbury Hunt Pony Club XC skin is acceptable for rallies. If the weather is warm then sweatshirts may be taken off at the discretion of the instructor however a long sleeved shirt must be worn.

+ For shows jackets should be tweed or navy with the Pony Club badge on the left lapel, positioned (for safety) 4cms below the collar bone. Pony Club badge should be worn for all Pony Club activities for insurance purposes.

+ Shirts should be white, pale yellow or light blue, worn with a Pony Club tie. Collarless riding shirts should be worn with the pony club stock (or a white one) if you wear a navy jacket the shirt can be cream or patterned with a tweed jacket.

+ Jodhpurs should be plain with no logos and can be any neutral colour.

+ Gloves – black, brown, beige/cream. Gloves are used to protect your hands and give you grip on the reins. Gloves are not usually used for Pony Club games as you also need to hold the games equipment.

Half chaps/gaiters may be worn but must match your boot colour, Jodhpur boots with jodhpur clips (or elastic underneath) or long riding boots. Only standard riding or jodhpur boots with a fairly smooth, thin sole and a well defined square cut heel may be worn. No other footwear will be permitted, including wellington boots, "muckers" or trainers. Boots with interlocking treads are not permitted. When the boot is in the stirrup there must be 7mm (1/4") clearance on either side of the boot.

+ Long hair should be tied back and safely secured. No long plaits down the back.

+ Jewellery is not recommended for safety reasons, other than a wristwatch, a wedding ring, a stock pin worn horizontally or a tie clip. Stud earrings are now permitted but no hoops or dangly earrings.

+ Riding hat/silks can be blue, black or brown (if you use a hat silk it must also be plain) and of current safety standard. For the current safety standards please refer to the Pony

Club website. Hats must be worn at all times when mounted, with the strap fastened (and should be worn at prize giving too). **All hats must be tagged**.

Body Protectors: The Pony Club does not make the use of body protectors compulsory, except for cross-country riding and Pony Racing whether it be training or competing. When worn, body protectors must fit correctly, be comfortable and must not restrict movement.

Horses/Ponies

At rallies we expect you to turn up with a clean pony. They should be fit for the work they are being asked to do and in good health.

<u>Tack</u>

Must be clean, in good condition and fit your pony. Check stitching to make sure it is safe. Black, dark blue, brown or white Numnahs or saddle cloths are preferred. When going to competitions it is important to check the rules for the particular discipline to ensure that your tack complies!

Another thing to make you all aware of is the Pony Club Code of Conduct. Please take the time to read them and the older members will be asked to read and sign them before Camping Camp and Senior Camp.
