## Fire Safety

### Workbook

## Which of the following statements are correct?

Hay and straw are extremely flammable and should be stored safely away from anything that could cause them to catch fire. Yes  No

Smoking should not be allowed in the stable yard or barns. Yes  No

It is safe to leave electrical equipment plugged in and switched on as it is unlikely that this could cause a fire. Yes  No

All stable yards should have a fire drill in place to ensure that everyone knows what to do in the event of a fire. Yes  No

You shouldn't need to have a fire extinguisher at the stable yard unless the stables are made of wood. Yes  No

Circle the signs that are associated with fire safety.

**Circle the items that are particularly inflammable.**

*Paper*

*Metal pitchfork*

*Wooden stable*

*Straw*

*Hay*

*Shavings*

*Brick built stable*

*Clothing*

*Horse rug*

*Wheelbarrow*

*Grass*

Match the fire safety equipment to the correct picture.

Fire extinguisher

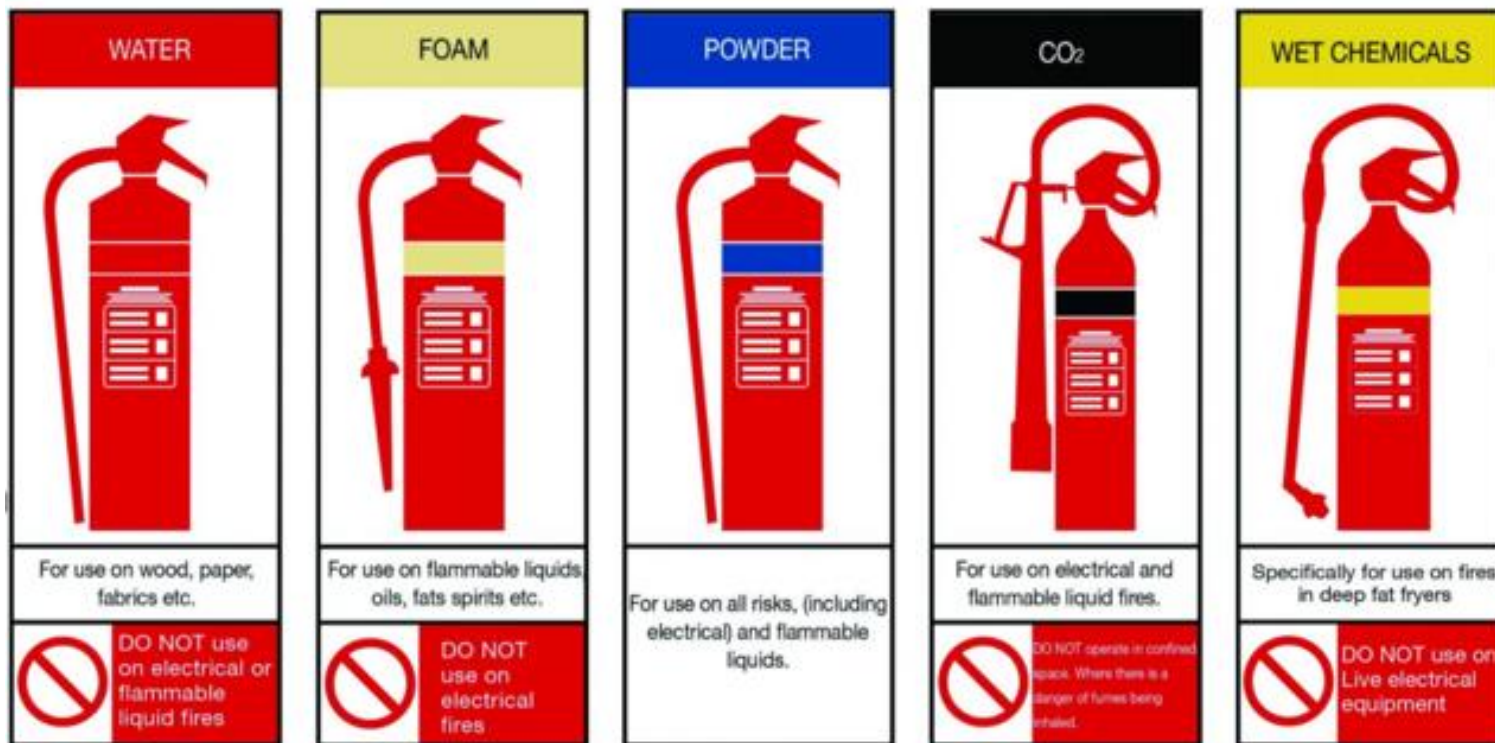

Fire blanket

Fire engine

Fire alarm

# Use the guide below to answer the questions.

Which fire extinguishers are safe to use on an electrical fire?

Answer: \_\_\_\_\_

How many of the fire extinguishers are safe to use on a paper fire?

Answer: \_\_\_\_\_

What is the colour of the band that is found on the fire extinguisher that is safe to use on all types of fire?

Answer: \_\_\_\_\_

Which fire extinguishers are safe to use on a wood fire?

Answer: \_\_\_\_\_

**Put the actions into the correct order that should be followed on discovering a fire.**

<b>Action</b>	<b>Number order</b>
Sound the alarm or shout to attract attention	
Evacuate the stables	
Fight the fire if you can do so without the risk of injury to yourself or others (an adult would need to do this)	
Call the fire brigade	
Make sure everyone in the danger area has heard the alarm and can move to safety	

# Recap Task - Word search

Find the words below in the word search.

**Fire**

**Safety**

**Smoke**

**Foam**

**Alarm**
