this year run by the Southern Region held at Southfield House, Nunney, Frome, Somerset,

They arrived Friday and helped set up the event, On Saturday they competed in the Shoot and Swim

And Sunday was the Ride and the Run. The ride was a superb up to high very technical cross country

Course which caused numerous penalties. Both Harry and Luke rode exceptionally well only incurring

a few faults – Overall Harry was 13<sup>th</sup> and Luke 10<sup>th</sup> fantastic results after a brilliant weekend.

The following weekend the boys travelled to Yorkshire alone with Max and George Kitchener to compete in the Tetrathlon National Championships. Harry represented Mid Surrey in the Open section

he was 8<sup>th</sup> with a brilliant clear round xc, whereas Max, George and Luke in the Intermediate Section – Luke and Max both clear xc with Luke 4<sup>th</sup> Individually, and Max 15<sup>th</sup> with George getting the

The following day Freya competed in the Elite Show Jumping Class – first time Mid Surrey has ever had a entry – The Ground again was tricky and she was placed 10<sup>th</sup> – Amazing – also on the Monday Harry and Sam Competed in the Open Eventing — THE Open dressage test was in a long arena with Sam doing a PB OF 34.6, again ground conditions were not the best for the show jumping Causing faults and the xc course was really testing – both Harry and Sam were one of the few who finished clear inside the time across all the sections they both rode exceptional brilliant rounds with Harry finishing 11<sup>th</sup> in his section and Sam 7<sup>th</sup> – on the Monday was the Intermediate Show Jumping with Fran Lupoli, Jess Penn, Hannah Ingham and Sophie Roberts – this was class was causing enormous problems
