

Mounted Games

CONGRATULATIONS TO OUR MINI AND JUNIOR TEAMS

The Mid Surrey mounted games event proved to be a very successful outing for the two teams that entered from the Mid Surrey Pony club. We had two teams that participated, one in the junior section and one in the minis. We were blessed with good conditions and strong turnout by all the pony clubs in the area. Mid Surrey's mini team (which comprised of Hollie Heath, Max Heath, Libby Gallie and Lilly Duckett) were reigning champions from last year and although not always the fastest were again very consistent, at the end it was a very close call between the teams and Mid Surrey managed to retain their title and finished first out of a total of 8 teams. The Mid Surrey Junior team (Thomas Edmonds, Ida Almqvist, Tilly Hutchings-Campbell and Ruby Beams) were entering the junior section for the first time and a little apprehensive about how they would fair, however they put in a fantastic performance and certainly adapted to jumping on and off their horses (though vaulting may be something we will need to practice!:) and could hold their heads high with a respective fourth place finish out of seven teams.

A big congratulations to all the team members who had a great day and did amazingly well. So much so that the junior teams is now focusing on the Area mounted games, could a trip to Horse of the Year show be on the cards – only time will tell.....
