

## Report From Cholmondley Castle Championships

**23<sup>rd</sup> August 2017**

A bit of a mixed bag of results at championships although everyone rode well. Everyone tried really hard with really wet cold weather that played havoc with the going. The SJ rings were like a ploughed fields at times, although the organisers did their best to roll the ground and move all the show jumps for each class, inevitably the ground became deep in places.

Friday: Stef Pitt has faults in both rounds of Novice Show jumping so was unplaced.

Saturday: Open Individual SJ. Freya Hough double clear but rolled a pole in jump off. 5<sup>th</sup>. Alana Collett had a couple of unlucky poles.

Sunday: Open Team SJ. Freya Hough had another double clear. Alana Collett had a couple of poles, Sam Townsend had a few poles as did Harry Kitchener. Team were an amazing 10<sup>th</sup> Nationally and 11<sup>th</sup> Internationally.

Monday: Open Eventing. Harry went first and after a decent dressage had a few poles SJ but the first xc round of the day clear within the time, closely followed by Sam who had a better dressage with a few SJ poles and the second xc round of the day clear within the time. Of which there were only about 6 during the day. Harry was 11<sup>th</sup> in his arena and Sam rosetted in 7<sup>th</sup> place in his arena.

Intermediate SJ. All had adventures and poles in the first and second rounds but Jess Penn managed the only clear round for Mid Surrey in second round. Team were Jess Penn, Fran Lupoli, Hannah Ingham and Sophie Roberts.

Elite SJ: Freya Hough was 9<sup>th</sup>

Tuesday: Intermediate Eventing. Jess Penn had really good dressage, clear SJ but had an unlucky 20 penalties in the xc that put her from 2<sup>nd</sup> place out of the rosettes. Hannah Ingham had one pole SJ and clear XC but not such a good dressage.
