MID SURREY OPEN BOYS TEAM WIN
C O N G R A T U L A T I O N S

Amazing weekend at Tet Champs for Mid Surrey Pony Club

DAY 1 - FRIDAY our tetrathletes - Jess Hilliard, Luke Townsend and Max & Harry Kitchener complete the shooting and swim phases.

Max achieved a PB on his swim

DAY 2 - SATURDAY our competitors tackled an extremely challenging cross country course . Harry was pathfinder & first out the start box at 8.30 am. He & Corky came home safely with a few run outs and Ls.

Next to go was Luke Townsend on his horse McCoy. Luke rode an intelligent round to complete the course - very impressive given his horses inexperience.

Next up was Max Kitchener on Corky . They were completing a beautiful round when an unfortunate stumble at fence 13 resulted in a horse fall. Both Max and Corky are fine, but they had to walk back to the finish.

Last of Mid Surrey members to go was Jess Hilliard who completed a fabulous round on her loan horse. Jess has done amazingly with the horse who hadn't been cross country at all until she started riding it.

DAY 3 SUNDAY

The run phase was fairly difficult after 1920's party night! No individual placing this year but the boys retained the National Tetrathlon Open Boys Team title.

Well done to our competitors and their supporters & huge thanks to the National Tet committee and all involved for a fabulous weekend of competition.
