How to find Tilefield

Tilefield Equestrian is in Southampton Road, Brockenhurst, just off the A337. It is approximately one third of a mile south of the level crossing at Brockenhurst on the right-hand side of the road to Lymington.

Look for a metal, five-bar gate in a lay-by directly off the A337, its right by the Brockenhurst Village Sign. It is on the right as you go up the hill from Brockenhurst towards Lymington. You will see a large white sign on the gate saying "Tilefield Equestrian" with the logo of a pink horse. Please close all gates behind you. There is a further gate to go through before you get to the car parking just below the arena.

- Use Google Maps/Apple Maps to get there – put in Tilefield Equestrian

**** Important ** Parking directions**

To use the parking efficiently please turn around when you arrive (there is a turning area by the brick wall) and reverse so that you can park herringbone close together with the front of the car at 45 degrees to the arena earth bank.

Please pick out ponies feet before going into the arena and **no haynets on the side of vehicles please.**
