Tilefield Equestrian is on Southampton Road, Brockenhurst, just off the A337. It is approximately one third of a mile south of the level crossing at Brockenhurst on the right-hand side of the road to Lymington.

Look for a metal, five-bar gate in a lay-by directly off the A337. It is on the right as you go up the hill from Brockenhurst towards Lymington. You will see a large white sign on the gate saying "Tilefield Equestrian" with the logo of a pink horse. Please close the access gates behind you.

Please park in the car park just below the arena and walk up the gravel track, leading away from the arena, to a green barn that is on your left at the top of the track. There is no exact postcode but the nearest is SO42 7UE/F or Apple maps (not Google Maps) will take you to the gate way if you enter 'Tilefield Equestrian'.

Wear riding clothes, no need for a riding hat, and please make sure that the riding boots are you wear not muddy.

Timings are quite tight so to give everyone the maximum amount of time possible on the simulator please arrive promptly for your slot as it won't be possible to run over time if you are late.
