

**North Warwickshire**

**Rally Etiquette**

All rallies are listed on the [bookings page](#).

Once you have decided which rallies you would like to attend, book and pay for your place on-line and make a note in your diary or calendar that you have booked.

After you have successfully booked onto a rally you will receive two emails, one confirming your booking and the other from Paypal confirming your payment. If you do not get these then your booking is not complete and you will need to do it again.

If a rally is full when you come to book, then email the organiser listed for that rally and ask to be put on the waitlist. If you find that you cannot attend for any reason, please let the organiser know that you wish to come off the waitlist.

Rally bookings close one week before the rally. If there are spaces remaining at this stage they may be advertised on Facebook.

If you are booked into a rally and find you cannot attend, even if it is on the morning of the rally, PLEASE let the Rally Organiser know – there may be a child waiting for a place. Mobile numbers are given in the programme there is no excuse for not notifying the Rally Organiser; it is purely bad manners not to!

Should you cancel after bookings have closed (one week before), your payment will be forfeited. Refunds will be given if your place is filled.

Please be honest when asked questions on the booking form as these are used to determine ride groups.

For most rallies there are allocated times. You will receive your allocated time between one week and 3 days before the rally/training time. The time you are given indicates the time you should be ready mounted, not when to arrive! If you do arrive late please make sure you apologise to the coach.

If your child is on a lead rein then you are required to supply a leader.

The branch activities are all run by volunteers so **OFFER YOUR HELP IF YOU CAN**; to set up equipment, to put away equipment, poo pick, to serve refreshments etc.

**PARENTS, PLEASE WATCH FROM A DISTANCE AND DO NOT INTERFERE WITH THE COACHES DOING THEIR JOB.** Do not distract your child by calling from the sidelines.

Parents, every effort is made to place your child in a suitable ride. Sometimes due to numbers, withdrawals, siblings or space it is very difficult to get it right every time, so please be understanding.

Please turn out clean and tidy. Checkout What to Wear [HERE](#)

At the end of rally offer your help to clear up and remember to thank the Coach, the Organiser and Host.
