Dear Members and Parents,

I am delighted to be organising the OBHPC Senior Camp again for 2019. I look forward to your application to come to camp and I would like to give you a bit of an outline as to the things we are offering this year.

Camp is held at Hartpury College offering the very best facilities for both horse and rider. We have exclusive use of indoor and outdoor arenas, a XC field, a full set of show jumps, and permanent boxes with secure tack rooms. Accommodation is within the college halls of residence. Meals are in the college canteen.

Evening entertainments will include a disco, demonstrations, games and off campus activities such as bowling, laser tag or swimming.

The mornings and first full afternoon at camp will be spent with your instructor riding and doing stable management, however for the other afternoons the instructors will be offering a wide range of activities so that you can tailor camp to your horse's needs and your interests. This will enable you to specialise with dressage tutorials, jumping clinics, gridwork, cross country, test preparation, young horse education and rider fitness, as well as some less horse-oriented activities, and to mix and match activities every day. Our intention is that Senior Camp should be equally fun and fulfilling for every member over 12, regardless of their (or their horse's) interests and experience. You do not need to have ambitions to jump around Badminton to enjoy camp!

There will be an opportunity to take D+ or C Test at Camp. For members aiming for C+, B, B+ or AH Test we can incorporate intensive test preparation at camp.

Arrival will be late afternoon/early evening (exact time TBC) on Sunday 28th July, with departure at 2pm on Friday 2nd August. On the departure day children will have a morning of lessons as normal, which parents will be welcome to watch, followed by a picnic lunch with parents.

Please note, all horses will need to be correctly vaccinated for flu and must have had a booster in the 6 months before camp, and not within 7 days of camp starting. Please check now while there is still time to re-start the course if needed.

If you have any queries please do not hesitate to contact me.

Yours sincerely,

Joanna Lambert
