

FOR LOAN – WILLOW

13.2HH WELSH SEC B PONY 14 YEARS OLD

Willow is looking for a new best friend. Her perfect partner would be someone who enjoys hacking, fun rides, hunting and PC rallies.

She has a nice jump and has hunted previously as well as Pony Camp/Club activities such as dressage, mounted games and small XC courses.

We have done some competitions with her but she can sometimes lose interest halfway through the class and decides she's had enough if she isn't fit and so wouldn't suit anyone who wants to do a lot of competing.

She is a lovely mare who is easy to have around, she is forward going with good brakes but wouldn't really suit a novice or nervous rider, she has no vices. Hacks alone or in company, can live in or out.
