

GEMMY

BRILLIANT LEAD REIN PONY | 11.2H

Gemstone Shadow is an absolute dream first pony. 18 years old, Section A, 11.2hh, beautiful dun mare. Gem has been in her current home for 5 years teaching 4 young children the ropes. She has done it all; pony club rally's, camp, fun rides, SJ, XC, hunting on and off the lead rein. She is good in traffic, lives in or out and has always been barefoot with us.

Gem loves being pampered and groomed, great to lead on the ground, good to clip, load etc. No stable vices. Many pictures and videos available. She comes with tack and rugs. Very sad sale of a much loved friend, only to the best of homes, references available. £4,000.
