Class 3: Junior Girls

Trinity Clement competed for Area 13 managing a very credible 17th place out of 55 competitors.

Trinity had a good run, winning her heat by nearly 15 seconds, but because she had no-one to chase, it meant that the run had left her in 20th place. The shoot didn't quite go according to plan (perhaps nerves got to her little on the second target) scoring 800 but then she had the second furthest swim of all the girls!

Quite a few of the girls ahead of Trinity were already 14; with her having another year in this age group, hopefully the experience bodes well for next year!

Class 4: Junior Girls

1st Trinity Clement

After a good ride, slightly dodgy shoot, best run and furthest swim, Trinity managed to win for Petersfield. Her team came 4th because they were a Mixed Team, although they had the most points overall.

Class 5: Mini Boys

1st Oliver Chant

Oliver was one of only 2 clears in the riding and got Best Shoot with 920 – a strong swim and run meant he had an almost 500 point lead!

Oliver was in a Mixed Team that were placed 2nd.
