The best Senior girl's swim on 10L 6M. Second on the run with a decent shoot and an unfortunate run out on a tough cross country ride.

"We have been at Pontispool on the Somerset Devon border all weekend at Trinity's first Tet as an Intermediate, though they didn't actually have an Intermediate Class so she was thrown straight into the Open! We've not been there before but it's quite a big event run by Areas 15 and 16.

Trinity had a disappointing shoot on Saturday morning scoring 760, she just wasn't feeling it, but had a great (and best) swim at 10 lengths 7 metres. 1 metre off her pb, but not bad, and this pulled her up to third place overnight.

We walked the XC on Saturday afternoon and it was full up 1 metre and quite technical, with a lot of combinations, dog legs and drops on the landing side. Trinity was not happy!

This was going to be their first 1m course and only their second ever full XC course together. They had also not yet had an opportunity to practice opening and shutting gates and doing the slip rail together.

Thankfully, the rain held off on Sunday morning and Trinity set off. Florida gave Trinity a fabulous ride and they came back clear and inside the time! She had jumped all the super scary fences beautifully and put a massive smile on Trinity's face.

This still left Trinity in third, but only 31 points behind the leader with the run to come and by this time it had started raining, a lot! Trinity knew she had to beat the girls in front of her by at least 10 seconds, which she did, and then some, giving her, her first win at the higher level.

We are so proud of her!

### Open Girls Triathlon

Trinity had the shoot in the morning which didn't quite go according to plan with a score of 780. Then she had a reasonable run (hasn't been able to train properly for the last 6 weeks or so due to shin splints), but it wasn't a bad effort and only a few seconds off her PB. Finally, it was the swim which was brilliant! Trinity managed to add 4 metres to her PB taking her up to 10 lengths 8 metres. Sadly, not quite enough to get the best swim.

Overall, Trinity came **FIFTH** in the Open Class which is fantastic, especially given that 3 of the 4 who beat her were proper Open ladies, rather than Intermediates (there is no Intermediate Class at the Winter Triathlon Champs).

Everyone is very proud of you Trinity! 🥳🎉👏
