#### For Sale 'LADY GRACE'

Hopelessly outgrown in size but not in our hearts . . . our wonderful Grace is 17 years young and deserves to be back out partying rather than the hacking horse which she has become in the last few months. Grace is a 13.3hh/14hh grey pony with an Irish passport. I think her mum was definitely in a field with a Connemara 12 months before she was born!

Grace is that funny, follow you around the field kind of pony, the one you use for showing people how to do things, the one that falls asleep clipping, the one that will do anything for a haynet or bucket of feed. Over the 4 years we have had her she has lived both in and out, but I think she prefers being out the majority of the time.

Grace has been that great "tick all boxes" Pony Club pony. She's happiest jumping 70cm/80cm, loves a good day on the xc and will pull a dressage test out the bag. We've done all sorts of fun things over the years to include birthday parties on the beach, pairs jumping, large group rides, musical rides, pony club camps and much more. She loves hacking and is happy going out on her own or in a group and will keep going all day long, really not being bothered by anything, anyone or any noises around her.

I would say that Grace is more of a second pony as she can be fairly strong in a group gallop and occasionally likes to point out that she is a mare with a big personality. By no means does she do anything mean or dangerous, she's just not a plod along.

Grace has the biggest wardrobe in the South East and will come with everything including a new saddle we bought for her 2 years ago.

We are in absolutely no hurry so only the most perfect humans need apply!

£4,500.00 inc tack and wardrobe – willing to shuffle numbers for perfect home.
