

AUTUMN NEWSLETTER 2025

Dear Parents and Members

We are definitely seeing Autumn around us with this much chillier weather all of a sudden!

Once again it has been a busy Spring and Summer.

In April we ran our Hunter Trials at Fair Oak ably organised by Gill Ibbott and Rosie Giraudet and in May we once again hosted the Area Mounted Games competition expertly run once again by Lindsay Kelly.

In June our Horse Trials took place for the first time at Munstead, which proved to be an excellent venue even though the ground was hard after a period of very hot dry weather. At this event we ran the PC70 and PC80 Regional Qualifier for the Area. This event was run again by the amazing team led by Jane Fletcher with Tania Bracci, Rosie Giraudet, Julie Gordon and Karen Dance with a massive team of helpers on the day – we provided almost 80 packed lunches to helpers!

In September the Annual Show had lower numbers than previous years but was still a success with thanks to Rosie Giraudet, Julie Gordon and Lindsay Kelly for all their work and to Jane Fletcher for judging all the Showing classes so expertly.

These competitions are a great opportunity for our members to compete, but they are also vital for raising funds to help the Branch to subsidise other activities through the year and buy new equipment etc. In addition to the organisers above

each event takes a huge number of volunteers both to set up and on the day of the event so thanks to all of you who give your support. Most people find that helping at one of our events is a fun day out so please keep volunteering!

The summer holidays began with Junior Camp running at Fair Oak for the third time. Thank you to Natasha Palmer and Rebecca Chant for running a brilliant week that is always such a highlight of the year for our younger members! Natasha and Rebecca are now handing over the running of Junior Camp to a new team of Cassie Puddick, Karen Halsey and Jennifer Thomas. Huge thanks to them for taking it on.

Senior Camp went to Tweseldown for the first time this year which proved to be a really good venue with use of the amazing cross country facilities as well as showjumping and dressage arenas during the week. Kate came out of her one year retirement to run Camp again with the well practised team of Jan and Rosie and additional help from Kathy Hewitt, an ex-Pony Club mum who offered her time and skills for the whole of Camp. This team has finally managed to pass on the Senior Camp baton thanks to the new team of Rebecca Chant, Tash Palmer, Jenny Wilson and Beth Hood, who have agreed to take it on next year.

We were extremely proud of all our members who qualified for and represented us at the National Championships and Regional Championships. More

news of these inside the Newsletter under individual discipline reports. Thank you also to all the parents who made the effort to take members to the Champs.

A particular mention to Oli Chant 11th in PC100 Individual Showjumping National Champs, our PC100 Showjumping Team at National Champs (Hattie Biles, Oli Chant, Poppy Turl), Flo Hood who WON the PC70+ Regional Eventing Champs, Chloe Blyth 7th in PC70+ Regional Dressage Champs and Alice Robinson 10th in PC110 National Eventing Champs.

We are looking forward to seeing as many of you as possible at rallies, trainings and Multi Activity Days over the Autumn and Winter. Please try to attend as we have already committed to venue costs which become very expensive if not enough members come along.

We are also looking forward very much to our Annual Party and Prize Giving on Friday 17 October at The Forest Community Centre, Bordon. As usual please let Julie know if you are attending so we have an idea of numbers for catering purposes and please bring raffle prizes and any second hand kit you would like to sell. As in recent years this is a free event, and a light supper is provided. A pay bar is available throughout the evening.

We look forward to seeing you at events over the Autumn and Winter months.

**IMPORTANT NOTICE TO ALL
MEMBERS
10 and UNDER**

*If your pony does not have a martingale,
make sure you always come to rallies, events
etc with a stirrup leather around the pony's
neck.*

*This is for you to hold onto when things do
not go right to avoid pulling on your pony's
mouth and perhaps to save you from falling
off.*

EMAIL ADDRESSES

Please ensure you have a current, working email address recorded with us that you also check regularly.

We use email to notify members of rallies/training, times and upcoming events, as well as the **Facebook Group**.

SAFETY AT RALLIES

Please can you all make sure that unless you are riding in a lesson, that you only walk (mounted/dismounted), especially when going from your trailer to the lesson. The car park is a potentially dangerous situation with a lot of ponies, children, dogs etc milling around. It is the responsibility of everyone present to ensure that all measures are taken to safeguard both ponies and people at all times. Please be aware of safety.

Air jackets: When an air jacket inflates the sudden noise startles horses in the immediate vicinity thereby causing difficulties for the other members of a ride if used in a group ride in a confined area, e.g., an indoor school or outdoor manège. Air jackets are therefore not encouraged for group rides.

Also, it is your responsibility to pick up any horse droppings and hay in the parking area and in the school – if that is where the lesson is taking place.

TURNOUT

Would you please all pay careful attention to turnout of yourselves and your pony/horse when attending all Rallies and Training. Please make sure your boots are polished, jodhpurs, tack etc are clean.

Your hair must be tied back securely, in a safe manner to reduce the risk of hair being caught and to prevent scalp injuries. A hairnet is therefore recommended.

The wearing of any sort of jewellery when handling or riding a horse/pony is not recommended and if done at any Pony Club activity, is done at the risk of the member/their parent/guardian. However, to stop any risk of injury, necklaces and bracelets (other than medical bracelets) must be removed, as must larger and more pendulous pieces of jewellery (including those attached to piercings) which create a risk of injury to the body part through which they are secured. For the avoidance of doubt a wristwatch, wedding ring, stock pin worn horizontally and/or a tie clip are permitted. It is recommended that stock pins are removed for cross country.

PARENTS & MEMBERS PLEASE NOTE:
STIRRUPS

Ensure that your stirrups and boots fit correctly. For very good safety reasons, Pony Club rules require the following: **“Standard riding or jodhpur boots with a fairly thin, smooth sole and a well-defined square cut heel” and “Stirrups should be of the correct size to suit the rider’s boots. There must be 7mm (¼”) clearance on either side of the boot”.**

These rules together with the requirement not to wear other unsuitable footwear including boots and stirrups with interlocking treads, are there to minimise the risk of the foot becoming caught in the stirrup in a fall which can cause very serious injuries. If you are buying new boots check the size of stirrups with the new boots.

At competitions this is probably the most common problem picked up by tack checkers. We will be checking this at our MADs over the winter and will advise you if your stirrups are the wrong size, but please also check yourself.

If you go to a Pony Club competition with incorrect size stirrups, you may not be allowed to take part.

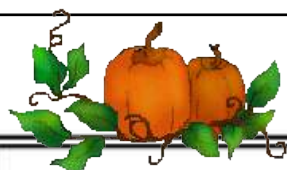

BADGES/TIES/SWEATSHIRTS/JACKETS

These are always kept in stock; please contact me. If you need The Pony Club Manual of Horsemanship these can be purchased from Amazon – a must if you are taking Tests.

Medical Arm Bands are no longer compulsory wear, but it is still recommended that one is worn.

All other Pony Club merchandise can now be purchased direct from Wainwright Screenprint:

PETERSFIELD PONY CLUB AUTUMN/WINTER DRESSAGE LEAGUE 2025/2026

Suzy Harrison: 01420 538443 | suzy21790@gmail.com

The conkers are falling, and the leaves are starting to turn golden.
Soon it will be time to head inside to the lovely dry and sheltered indoor school at Priory Equestrian.

The Dressage League starts on Saturday 18 October!

As in previous years, this is only open to Petersfield members.

It's perfect to build confidence in riders and ponies new to Dressage. It's also great for those with more experience to hone their skills and keep their hands and hooves practicing in readiness for the spring season.

The League is open to all ages and abilities. All tests can be called. You can have support in the ring if you need it. You don't have to plait (unless you'd like to). All ponies get a carrot after their Test, and there will be sweets for the riders. We have a lovely judge booked. Everyone is friendly and there's no pressure. Perfect!

The first date is already open for entries on Entrymaster – thank you Julie.

The schedule is also on Entrymaster with all the details and other dates.

You need 3 results to qualify for final League placings and rosettes; there are 6 dates to choose from.

The 'Halloween Hocus Pocus' is a small competition within the League. Enter either League date in October to be automatically entered into the 'Hocus Pocus'. If you enter both dates then your best score will count.

MINI & LEAD REIN DRESSAGE LEAGUE

This is for Petersfield members who are on or just off the lead rein, about 8 years old or under.
It is a fun flatwork and Dressage Rally of about 45 mins with Ingrid Dziedzic.

After the Rally everyone will have the chance to ride a Mini Dressage Test. Carrots and chocolate for all the ponies and riders who have a go at the Test.

There are 3 dates to choose from. Rosettes will be awarded after the 3 dates. Your best 2 results will count towards final placings and rosettes.

The first date is Thursday 30 October. Entries are open on Entrymaster, and the schedule is on Entrymaster too.

See you all there! *Suzy*

Pony Club Junior Camp 2025 – Fair Oak Cross Country, Rogate

This year's Junior Camp saw **31 members** gather at Fair Oak Cross Country, Rogate, for five unforgettable days of riding, learning, and fun.

Riders enjoyed top-quality tuition in flatwork, showjumping, and cross country, making huge progress and building confidence in the saddle.

Special highlights included a fascinating side saddle demonstration by Belinda Wilkins from the Side Saddle Association, where members even tried on traditional costumes.

We were also treated to a lively visit from the Hampshire Hunt hounds, who joined us for exercise and games. Lots of wagging tails and smiles for this occasion!

Our young riders also worked hard towards their Stable Management Badges, proudly awarded under the guidance of our dedicated instructors, who deserve a huge thank-you for their patience, expertise, and encouragement throughout the week.

The final day brought an exciting chance to shine, with members putting their skills into action in showjumping and cross country competitions. The Camp then ended in style with a colourful musical ride, performed to family and friends with themes ranging from *Matilda* to *Grease*.

At the end of Camp, awards were handed out to celebrate achievements, effort, and sportsmanship, recognising riders for their dedication and progress. Each child also received a goody bag kindly donated by **AnA's Pet 'n' Tack**, adding a sweet finish to a memorable week.

A special mention goes to the wonderful ponies, who were true stars throughout the week.

A heartfelt thank-you also goes to all the mums, dads, and grandparents, whose support, cheering, and behind-the-scenes help made the week run so smoothly.

Junior Camp 2025 was a fantastic success – full of learning, laughter, and lasting memories. I am sure you are already looking forward to next year's adventures!

Save the date | Junior Camp 2026 will run from Monday 3 – Friday 7 August at Fair Oak Cross Country, Rogate.

Next year, we are excited to welcome a new team of organisers | **Cassie Puddick, Jennifer Thomas, and Karen Halsey** – who we know will bring fresh energy and enthusiasm to Camp.

MY FIRST JUNIOR CAMP . . .

. . . ISLA NORRIS

This summer I went on my first Junior Camp with Petersfield Pony Club, and it was sooo much fun.

I only got my pony Lola in January, so she was kind of new, and I was a bit nervous, but the Pony Camp and my amazing instructor Laura, helped me improve so much and helped me feel more confident when I felt a bit unsure.

The cross country was my favourite part; the course was gorgeous with loads of different heights so you could jump whatever height you felt comfortable with.

Camp was a really good opportunity for you and your pony to make loads of friends with the people and ponies in your group. On one of the days the hunting hounds came to visit us which was so fun and made Lola VERY excited! We got the hounds to jump the biggest jumps in the cross country course.

On our last day we had a competition day where we did a showjumping course, cross country and then a super fun musical ride - we got to dress up our ponies, and my group chose *"The Greatest Showman"* and all of the ponies had big red feathers attached to their bridles.

It was one of the best weeks of my life and I can't wait for next year!

MY FIRST JUNIOR CAMP . . .

. . . EVA SAYLES

Ever since my first ever riding lesson I've been desperate to attend Pony Club Camp. Since buying my first pony last September and joining Petersfield Pony Club in January, Junior Camp couldn't come around fast enough!

Finally, it was the Summer Holidays and Camp was just round the corner!

Being a naturally nervous rider, I was concerned about feeling out of my depth and constantly worried about whether my instructor or peers would judge me for my confidence. However, much to my relief, everyone was absolutely lovely, and all members, instructors and parents catered for everyone's, including my own, worries, confidence crisis and individual levels of experience.

Each day was jam packed with three ridden sessions, including a mix of daily cross country sessions, mounted games, showjumping, grid work and constant practice for our musical ride!

By the end of the week, I had a whole new bank of riding skills and tactics, including numerous confidence building blocks, up my sleeve!

Junior Camp was amazing, and the end of week competition day and prize giving was the icing on the cake!

Thank you, Petersfield, for such a brilliant first Pony Club Camp and a massive thank you to my fabulous pony Breeze who held my hand every step of the way through my first ever Camp.

M

y Week at Petersfield Junior Pony Club Camp.

This was my third Petersfield Junior Pony Club Camp, and this year was my favourite, it was *so much fun*! I went with my lovely pony Henry, and we had the *best* time ever. My instructors were Kate and Annie, and they were really kind and helpful and made all the activities exciting. My sister Xanthe was in another group riding her pony Roo.

Each morning, we arrived quite early to get both ponies ready. I plaited Henry's tail each day and made sure my tack and Henry were clean. On the first day we were excited to collect our camp T-shirts, and I had a hoody which was sunshine yellow and made us easy to spot!

I had lots of fun riding with my friends Livvy, Hele, Ellie and Georgie. We did loads of riding every day, and I especially loved the cross country! My favourite bit was the line of jumps going up the hill through the woods — it felt like flying and Henry was so brave!

We also did lots of showjumping, which I love. Annie really helped me to improve my jumping position. Henry was a superstar, and I felt really confident jumping with him. One of my favourite flatwork lessons was when we all got to swap ponies with our friends! It was so funny riding a different pony and seeing how everyone else did on Henry. He behaved really well for my friends, which made me proud.

At lunchtimes there were different things for us to do. We worked on our Stable Management Badges for two days and my group looked at Safety. We had a side saddle demonstration where we got to try on the outfits and look at the saddles as well as watch Belinda ride that way. At home I tried sitting on Henry in a side saddle position - it isn't very comfortable with a normal saddle. We also met the hounds one lunchtime and got to race around the cross country field on foot following them. On Wednesday afternoon we played lots of different games on foot including jumping a pole, limbo and apple bobbing. This was really fun, and it was nice to see everyone from the other groups even though my team came last.

On the final day, we arrived early so I could plait Henry for the show day. He isn't always very good at standing still for this, so it was quite frustrating getting him ready. Henry was absolutely brilliant however in both the showjumping and the cross country. He listened to me and jumped everything really well. I gave him loads of cuddles and treats afterwards!

In the afternoon, our group did a musical ride to the song "*Naughty*" from *Matilda the Musical*. We all wore matching school uniform and tried to make our ponies look naughty by adding lots of leaves to their manes and tails as well as hair chalk and pony paint. Instead of a neck strap I used two Pony Club ties. We had been practising all week and worked really hard to make it look good — I think we did really well, and everyone clapped at the end. We then got to watch everyone else's ride - my favourite was Grease which was my sister's group!

Finally, we had the tidy up and the awards. It was really nice to hear all the things we had done well and have Annie tell us where we came in the events. I was really proud I was 1st in showjumping and 2nd in cross country.

I didn't want Camp to end, but I had the best week ever with my pony and my friends. I can't wait to go again next year.

REPORT ON SENIOR CAMP 2025

Another new venue for Senior Camp this year. It was lovely to be at Tweseldown with such good facilities and also convenient to be so close to home. Quite exciting too to be on site with the whole film crew for House Of The Dragon, being filmed nearby!

Although we only had 13 full time campers this year it was a lovely friendly group who all seemed to get on well and enjoy spending time as a whole group – it was lovely to see them eating meals around one big table and socialising in one big group outside one of the lorries each evening.

The lovely team spirit and enthusiasm was also evident in the rides and Troops.

Big thanks to our Yard Managers, ex PPC members Megan and Georgia Dyer who helped keep the yard well organised and were always on hand when members needed help or advice.

We had great fun instructors, Laura, Annie and Julia who gave brilliant instruction all week and also planned some great fun activities on the last day. I very much enjoyed watching the *'showjumping while holding a cup of water'* competition but sadly missed seeing the team competition which involved eating doughnuts while riding!!

As always, we couldn't have done it without all the helpers who came each day and entered into all the mundane tasks of Camp with humour and enthusiasm. Particular thanks to Kathy Hewitt, an ex Pony Club mum from several years ago, who came and volunteered for the whole of Camp, joining the seasoned team of Jan, Rosie and myself.

Jan, Rosie and I are delighted, after many, many years, to be handing on Senior Camp to a new team and we look forward to offering them any inputs they would like in planning next year's Senior Camp.

I personally will very much look forward to visiting Camp next year and then be able to come home and not sleep in my trailer!

MY FIRST SENIOR CAMP . . .

. . . PIP CHAMBERS

I had such a great first time at Tweseldown with the Pony Club.

The whole experience was so much fun from start to finish. The atmosphere was really welcoming, and everyone there was kind and really supportive.

The environment at Tweseldown was lovely too – perfect for spending time outdoors with our ponies. I really appreciated the chance to be part of it and would love to go again.

Overall, it was a very fun, memorable experience that Stormy and I both really enjoyed.

MY FIRST TWO DAY SENIOR CAMP . . .

. . . ROSA HOOD

I have been in the Pony Club for six years now and have been to lots of Junior Camps, but this year was my first time doing Senior Camp.

The great thing was that I was able to do two taster days which meant I could go for the day and not have to sleepover.

At first, I was quite nervous - everyone seemed a lot bigger than me, and I was also on a pony I had never ridden before because my pony was lame. But once I got there, I had a blast as the team were so welcoming!

Luckily one of my friends was there so I had someone to hang out with, and my instructor was really lovely too.

All the older riders were very kind and helped me tack up when I couldn't reach to put the saddle on.

It was great to build my confidence over the bigger jumps at Tweseldown and on the Wednesday night I stayed for a BBQ.

To all the people doing it next year it is definitely something to look forward to!

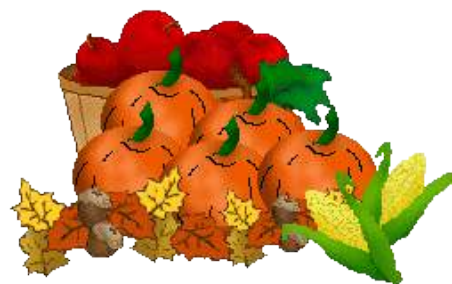

Camp was really fun with lots of different activities and new experiences with opportunities to meet new people.

Every day was filled with different types of riding.

I was most nervous about cross country, but I did it and even got the confidence to do an Eventers Challenge after Camp.

We all made sure that the pony's got lots of snacks along the way.

This summer, I attended my first Senior Camp with the Petersfield Pony Club, and it was amazing!

I was a bit nervous at first since I'd never been to camp or any Pony Club event before, but everyone was so friendly and welcoming. I quickly felt part of the group, even though I didn't know anyone beforehand.

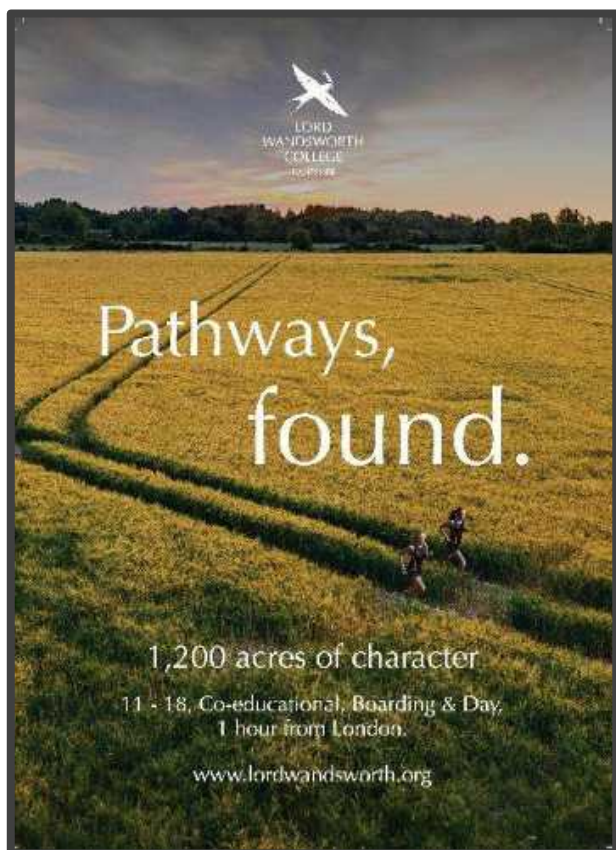

Throughout the week, we did loads of cross country and showjumping, trying out fences that were new to both us and our ponies. My pony Amie, a five-year-old Connemara, really grew in confidence, especially with fillers and cross country jumps. She also got better at waiting her turn and riding alongside other ponies.

One of the highlights was a fun mounted games competition on the last day. We had to jump while carrying a cup of water, then race through a course and eat a doughnut as fast as possible - it was hilarious! 😄

I stayed with another girl who was also new to Pony Club, and we quickly became friends. After dinner, we'd all hang out, chat, and play games. The yard managers were incredibly kind and always ready to help.

It was such a fun, sociable experience - I definitely want to go again next year!

THE PONY CLUB JCB NATIONAL CHAMPIONSHIPS | TETRATHLON TRINITY CLEMENT

On Thursday 7 August, we arrived at the JCB Pony Club Championships for the Tetrathlon. We got Florida settled in her stable and set up camp with the other Area 13 competitors, then in the evening we all had shoot practice before the competition started the next day.

My shoot was on the Friday morning, and I scored 860 to leave me slightly higher than the middle of the field, before the swim in the afternoon at a local pool.

The swim is my best element, and I was looking forward to it! I swam 10 lengths and 12 metres which wasn't quite a personal best but led me to get Best Swim by almost a length! I sat in first place overnight due to this.

The ride followed on Saturday, and it was a testing track. Florida was on top form and flew out of the start box. We took some direct routes which she aced, but due to some difficulties prior to the event, I decided to take some L fences to ensure we both got home safely and confidently. Florida was amazing and took me round the track with a big smile on my face!

Our score dropped me down the placings, but I couldn't have been happier with how she jumped!

After the big Tetrathlon party on the Saturday night, the run followed on the Sunday morning, with a hilly course and an added water element. I enjoyed the hills and knocked 40 seconds off my time from last year over the same course, which was pleasing.

Although I was out of the placings to finish 23rd, the Area 13 team finished **FOURTH** and it was a great experience!

THE PONY CLUB JCB NATIONAL CHAMPIONSHIPS | SHOWJUMPING OLI CHANT

This year, I was super lucky to qualify for the PC100 Individual Showjumping Championship and the PC100 Team Championship on my awesome pony, Inkie.

The Individual Champs were on Tuesday 12 August, and the Team event was on Wednesday.

We got there early on Tuesday morning, so I had loads of time to explore the massive site and check out the shops. There were so many people everywhere, including over 60 competitors in my class! The competition had two rounds, and the winner was the one with the least faults after both rounds. Unfortunately, I had an unlucky pole in the first round, which knocked me out of the running. But I did not mind too much because we jumped a beautiful clear in the second round, which only a few other competitors managed to do.

After sorting Inkie out in his stable, I met up with some friends from the Pony Club. We had an amazing time at the disco that evening, where I made a bunch of new friends. Wednesday was my birthday, and it was also the day of the Team event.

We were at a huge disadvantage because our team only had three members instead of the usual four. This put a lot of pressure on us because it meant we all had to jump clear. Despite being a man down, we all managed to jump perfect clear rounds in the first course, putting us in a great position for the second round.

However, Inkie and I struggled in the second round because of the technicality of the course and the long stride doubles, which eventually caught us out. We finished with a score of 4 and so did my two great teammates so it did not feel like I had let the team down. But honestly, I did not care about the results because we still did well, coming NINETH out of a lot of teams.

For me, it was more about the experience and the atmosphere of the show, and I cannot wait to go back next year!

THE PONY CLUB JCB NATIONAL CHAMPIONSHIPS | SHOWJUMPING POPPY TURL

This year we competed at the Area Qualifiers at Coombelands Equestrian where we placed **SECOND** for Team and Individual. This meant we were lucky enough to qualify for and attend Pony Club National Championships at Offchurch Bury.

It's always a big ask to attend a stay away with a young horse but Dora took everything in her stride. It was one of the hottest weekends too!

We arrived on the Tuesday afternoon after a long hot drive, sorted our stables and set up camp. The horses had a little hack to orientate themselves and get rid of a little energy!

That night was the party. We had dinner and headed down to the main social area where a marquee and DJ were and partied the night away. It was so much fun!

The next morning saw the start of a long wait as we were about 4 hours into the class. We had qualified as a team of 3 (Oli, Hattie and me) so we were at a slight disadvantage to those teams riding with 4. This meant that we didn't have a 'drop' score, so all our scores counted! All three of us went double clear in the first round which was a great result!

Cont.d

After another hour's wait, it was onto the second round in a different ring with a course that asked a few more questions. Everyone jumped so well but we all had one pole so finished on a final score of 12. Out of nearly 50 teams we came **NINETH!!** - so lovely to have a top 10 finish at such a big event. The team was amazing, super fun and very supportive. I look forward to more team events representing the Club.

THE PONY CLUB REGIONAL CHAMPIONSHIPS | PC70+ DRESSAGE & PC70+ SHOWJUMPING REPORT ...

... CHLOE BLYTH

My first time attending Regional Championship and to say I was nervous was an understatement, but I had no reason to be. Sofia Bracci kindly came along as my groom, and Dad as always took us there and looked after us.

PC70+ Showjumping went well; 1 clear in the first round then a rider error stop by me in the second but was very pleased to attend. Bertie OG was a superstar!

PC70+ Dressage - again Bertie OG was amazing! Ended up **SEVENTH!** and very happy to come home with a rosette.

Here's already looking forward to next year if we work hard and qualify.

THE PONY CLUB REGIONAL CHAMPIONSHIPS | PC70 SHOWJUMPING REPORT ...

... ALICE CHANT

This year, I was really excited to be part of the Petersfield PC70 Showjumping Team going to Regionals.

When we got there, I was a bit scared because there were so many people and ponies everywhere - it was really busy! But everyone was really nice and smiley, so that helped a lot!

Each of us had to ride two rounds, and there were so many people competing that the PC70 Team jumping seemed to go on all day!

The courses were big and full of colourful fillers, which made them quite challenging. Our ponies did great though, and Isla (Wilson) and I just had an unlucky pole down, but Rosalie (Taylor) rode a brilliant double clear and made it into the jump-off.

We finished on a team score of 8, and now we're all hoping we can come back next year and go for the win!

THE PONY CLUB REGIONAL CHAMPIONSHIPS | PC70+ EVENTING REPORT FLO HOOD

My first time at Regional Championships, Rectory Farm, Duntisbourne Abbots.

On Sunday 22 June at Munstead I qualified for Regionals in PC70+ Eventing. I was so elated because it was not only my first competition on Lily, but also my first competition since my nasty fall 4 weeks prior at Munstead. We ended up coming **FIRST** in my section out of 14 people finishing on my Dressage of 32 and double clear!!

This had meant that I had qualified for regionals in August!!

On Sunday 24 August we drove up to Rectory Farm in the evening to get Lily settled in for a busy day ahead of us. The stables were so lovely and big, and we were right on the end of which seemed like a quiet stable block. The following morning, I took Lily for a leg stretch to get used to the area and for her to have a change of scenery, then my Dressage was due to start at 2.00 pm with me being the first in.

Lily warmed up beautifully, and we got an astounding Dressage of 25.2 which ended up being the best Dressage in the class. I was so overwhelmed with happiness that all our hard work had paid off, and the judge obviously seemed to like Lily.

I was at the top of the leaderboard meaning constantly refreshing the scores to see if anybody had overtaken us which was quite stressful but exciting!

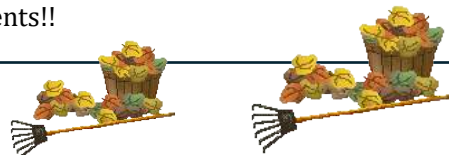

Then 3 HOURS later I had my showjumping round, and Lily was amazing helping me out many times resulting in a clear round inside the time. Of which was supposed to be a 30 minute gap between showjumping and cross country, got delayed by an hour and a half but Lily was a dream waiting around for what seemed like a very long time whilst my nerves were bottling up.

Then we were off galloping with a bit of control and a rather excited Lily zooming around the cross country course for an adrenaline-filled clear!!

Lily and I came **FIRST** overall Regional Championship winner of the PC70+ Eventing class!!!!!!

I felt proud to represent my Pony Club against all the other numerous Pony Clubs competing.

I feel like the luckiest girl to be on such an amazing pony who tried her absolute hardest for me every step of the way, and of course it wouldn't be possible without my amazing parents!!

THE PONY CLUB REGIONAL CHAMPIONSHIPS REPORT ROSALIE TAYLOR

After the long trip up, it was a big relief to finally get to Rectory Farm - we broke down 3 times and Chai had to be transported by an equine rescue lorry - we eventually arrived at about 10.00 pm!

The first day of the competition was the PC70cm Showjumping, and Chai went in with plenty of energy and gave it her all, which made for a brilliant start. The atmosphere was busy and competitive, but also supportive, with riders encouraging one another and celebrating each round.

Over the next couple of days, there were plenty of highs and lows in the PC80cm Showjumping and the ODE, but Chai really showed off her scope and willingness and made me super proud. Taking part in the regionals was a great experience, despite some not so good days, it gave me a lot of confidence in both me and Chai. We left feeling happy, inspired, and motivated!

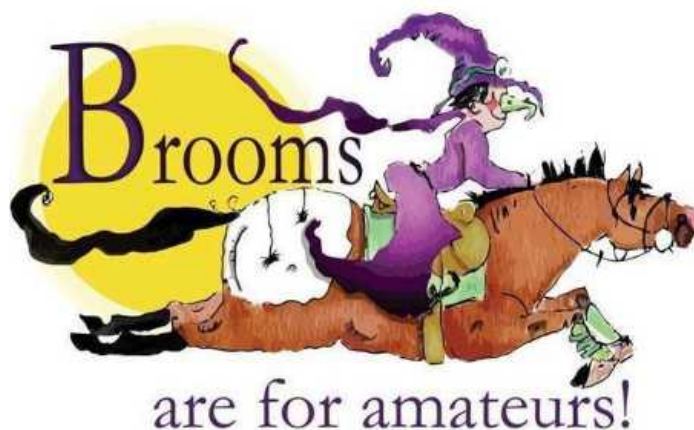

THE PONY CLUB REGIONAL CHAMPIONSHIPS | PC70 SHOWJUMPING REPORT ISLA WILSON

I was thrilled to qualify for the Pony Club Regional Championships for the first time on Tempo along with my teammates Rosa, Alice and Rosalie. Sadly, Rosa couldn't make the Champs, so Alice took her new pony in Rosa's place.

Tempo jumped a lovely round inside the time allowed for the first round. In the second round we had a very fast time but knocked a pole meaning we didn't make it to the final jump off.

Out of 31 teams ours came 16th ending on 12 faults.

I can't wait to go again next year hopefully; we won't break down and close the M4 on the way home!! 😊

MINI SHOWJUMPING REPORT

Melanie Puddick | 07377 332091 | melaniepuddick@yahoo.co.uk

Between February and July, we ran five fantastic Mini Showjumping Rallies at Oakhanger Farm and Castle Copse Equestrian.

Riders tackled fences from 30cm to 70cm, tailored to their ability, and practised essential skills such as riding a full course. The Rallies gave members a chance to build confidence, improve technique, and, most importantly, have fun.

A huge thank you to our instructors, Annie and Laura, for their expert guidance and encouragement throughout.

Looking ahead, our next Mini Showjumping Rally will take place on Sunday 26 October at Wood Farm Equestrian, Alresford, with Penny Ibbot.

From now on, we will be combining our Mini, Junior and Senior Showjumping Rallies, offering groups from lead rein and poles on the ground, through cross poles and 30cm, right up to 1m+ to meet all abilities. With small groups of usually no more than four riders and varied venues, these sessions are the perfect way to enjoy learning and practising showjumping.
