Intermediate Girls Triathlon

1st Trinity Clement

Trinity was supposed to do the Wylde Valley PC Tet last weekend but with Florida not quite right, she went and just did the Tri.

It was a lovely event in beautiful surroundings, though the swimming pool is very short at 15m, so this always make Trinity feel dizzy because of all the turns!

Trinity won the Intermediate Girls Tri, picking up best swim and best run, though she hasn't run since Champs due to injury and also had a cold last week, so she wasn't on top form.

She really enjoyed it though and is looking forward to the Winter Tri season now 😊.

A great achievement Trinity! 🥳🥳🥳

**THE JCB PONY CLUB NATIONAL CHAMPIONSHIPS
FRIDAY 08 – SATURDAY 16 AUGUST 2025
OFFCHURCH BURY, LEAMINGTON SPA**

Intermediate Girls

Following competing at The Pony Club Senior Home International Tetrathlon in Scotland, and a stop off in Yorkshire, a good few days at The Pony Club JCB Tetrathlon National Championships (Fri 8 – Sun 10 August 2025) for **Trinity Clement and N'ice Lass** starting with a decent shoot for 860.

This was followed with a really good swim, although not a PB still managed 10L 12M which was the best swim there 🥳. This put Trinity in first overnight.

The ride followed, after some recent difficulties Trinity was only planning to get round the course and taking many L options. Florida was on top form with the pair taking some direct routes which she aced (albeit one mishap which wasn't her fault at all). Due to Trinity taking other Ls just to get them back safely their score was lower than they wished, but none the less Team C were very happy!

Sunday morning was a pretty tough run with hills and water; Trinity achieved a 40 second PB since last year which pulled them up the placings to finish in 23rd overall with the Area 13 Team **FOURTH!!**

PPC couldn't be prouder of you Trinity; we all know how much you put in to achieving everything you do! 🥳🥳🥳
