Wanted **LOAN PONY WANTED.** A kind, knowledgeable and loving home awaits.

We are looking for a first ridden, 11.2hh - 12.2hh, super safe pony on long-term loan, to move to our yard in Frensham. The pony would be fussed and ridden by two girls, 4 and 7, and looked after by a very experienced Mum who has her own horse.

We do Pony Club rallies and the odd show (including 30cm jumping and mounted games) but are quite a chilled home - with more focus on school 'pony pickups' and Pond Cafe trips - and so would possibly suit a Pony Club pony winding her way down towards retirement in a few years time.

The children are desperate for a pony then can cuddle and groom and so we are keen to find a pony that doesn't bite or kick.

Wanted **Pony for Loan or Sale (11.2hh - 13.0hh)**

We are looking for a special pony (11.2hh -13.0hh) for loan or sale to join a loving, knowledgeable family with three young children who are keen riders and growing in confidence and ability.

Our home offers excellent facilities and experienced care from an owner who is both a dedicated horse mum and a practising equine therapist. We are ideally seeking a kind, confidence-giving pony who enjoys helping children progress, particularly with jumping, and who will happily take part in all the adventures of young riders over the coming years.

A pony that can live out would be preferred. In return, the right pony will be offered a secure, caring, long-term home with plenty of attention and affection.

Please get in touch if you know of a pony who might be a perfect match.
