

PETERSFIELD PONY CLUB

TWO DAY LEAD REIN CLINIC

Monday 30 – Tuesday 31 March 2026

Stockbridge Farm, Tilford

For those members on the lead-rein or just off the lead-rein, we will be running two half-day sessions. We have secured experienced instructors who will tailor the Clinic perfectly for our younger members, ensuring they all have lots of fun. We have once again booked Stockbridge Farm in Tilford as our venue. The Clinic will allow riders and accompanying adults to get to know each other and be a real confidence booster ahead of the summer, when there will be rallies, competitions and of course Camp for the children to participate in.

Please remember everyone has to start somewhere and this Clinic is an excellent opportunity to come and have some fun and receive lots of great tuition. You will need to either be willing to lead your child yourself or provide someone to do this. Even if they are off the lead rein, it is requested that you, or your helper, stay close to their group.

NB: The Lead Rein Clinic runs alongside the Mini Clinic for those of you with older children as well. Both are always popular and can be oversubscribed. Places will be secured on a “*first come, first served*” basis.

Please note each rider is expected to be accompanied by a responsible adult who will be in attendance throughout the Clinic.

- **COST: £90.00** per rider. When booking, please advise whether on the lead rein or just off.

Please book online making payment with a **NON-REFUNDABLE deposit of £45.00 by 16 February.**
The balance of £45.00 to be paid by 16 March.

TWO DAY MINI CLINIC

Monday 30 – Tuesday 31 April 2026

Stockbridge Farm, Tilford

We are hoping that lots of you will take advantage of the chance to prepare for the summer over a concentrated two day course. We have booked some excellent instructors and hope the two days will be fun and help everyone start the summer with lots of confidence.

The Clinic is not competitive and jumping heights are a guideline only, along with other factors, to establish rides of similar abilities, depending on entries. The Mini Clinic is suited to those jumping up to 75cm approx.

We have booked Stockbridge Farm again this year, after successful Clinics there for the last eight years. Stockbridge has facilities for flat work and showjumping, as well as a range of cross country schooling jumps for us to use. Each day will incorporate flatwork, jumping and stable management.

The Mini Clinic runs alongside the Lead Rein Clinic for those of you with keen younger children too. Both are always popular and can be oversubscribed. Places will be allocated on a “*first come, first served*” basis.

Please note each rider is expected to be accompanied by a responsible adult who will be in attendance throughout the Clinic.

- **COST: £124.00** per rider. When booking, please state height regularly jumping.

Please book online making payment with a **NON-REFUNDABLE deposit of £45.00 by 16 February.**
The balance of £79.00 to be paid by 16 March.
