

PETERSFIELD PONY CLUB
TWO DAY NOVICE and INTERMEDIATE EASTER CLINIC
Stockbridge Farm, Tilford
Monday 30 -Tuesday 31 March 2026

We are hoping that lots of you will take advantage of the chance to prepare for the summer over a concentrated two day course. We have booked some excellent instructors and hope the two days will be fun and help you and your pony/horse to start the summer with lots of confidence. The Clinic is good value for money with tuition in small groups with lots of individual attention. The Clinic is non competitive and jumping heights will be used as a guideline only along with other factors to establish rides.

The Novice Clinic is for those jumping roughly 70cm+ to 95cm.

The Intermediate Clinic is for those jumping roughly 1.0m+

Please note each rider is expected to be accompanied by a responsible adult who will be in attendance throughout the Clinic.

Our Novice and Intermediate Clinic will once again be at Stockbridge Farm, Tilford where there are good facilities for all disciplines, with more cross-country jumps being added all the time.

Riders at this Clinic must feel confident that they can control their ponies/horses in fairly open spaces!

The Clinics will follow our tried and tested timetable with rides rotating between flatwork, showjumping and cross country each day.
