Competition Results

We have had a huge amount of success out competing this year. So much, in fact, that it is spread over 3 pages! Look further down to read about it!

A huge well done once again to all the members who competed over all levels of qualifiers and championships.

Thank you to our Chief Instructor Mari-Claire for all she does to coordinate, support, train and encourage each and every member of our club.

Remember, if you would like to be included in selection for representing your club in 2025 please let Mari-Claire or Jocelyn know.

And please send photos and/or results to Mari-Claire when you are out competing at non Pony Club events. This is an excellent and vital way of keeping her aware of what you are up to and the level of competition you are confident at.

RALLIES

Please look at our website for details of our next rally programme which starts at the beginning of November.

We will also email this to all members when it is finalised.

We welcome Lindsay Ford to the committee as Rally Coordinator and would like to take this opportunity to thank Clara Glynn for all her tremendous hard work over the last 3 years. Not only does she compile the rally programme (with a small committee) but she copes with all the last minute changes (both venue and riders!); last minute requests and a whole host of things that she quietly just gets on with.

Winter Showjumping

30th November at SNEC run by Linlithgow and Stirlingshire PC. This is their winter show and includes lots of fun festive classes, as well as Spring Festival qualifiers and team jumping.

AREA COMPETITIONS ROUND UP 2024

Huge well done to all of our members who took part in area competitions throughout 2024. It was great to see so many successes throughout the branch from foundation championships up to national qualifiers.

We had **15** combinations qualify for regional championships this year between dressage/showjumping and eventing.

13 of these combinations took the trip up to Auchlishie in August for the championships and a fun filled and successful weekend was had by all. Gemma Mercer also gained her ticket for the National Pony Club Championships in Offchurch, Bury in Warwickshire, but sadly could not attend.
