Please note that throughout the levels of competition, the jumping heights increase at each stage. For example, PC90 is 90cm in first round at Areas going to 95cm in the second round. If you qualify it is 95cm in the first round at Championships and 100cm in the second round. You therefore need to be competent at jumping the class height and up to 10cm above. This applies at all AREA levels. Full information on course height, widths and technical elements can be found in discipline rule books.

It is entirely the responsibility of the members to check their eligibility and be familiar with the rules. To read and understand the WHPC Selection Policy and to make any applications for teams and entries in good time.
