**FOR REGIONAL/AREA COMPETITIONS
YOU MUST HAVE DC'S
PERMISSION BEFORE ENTERING**

Read the schedule carefully to see which classes are most suitable

Complete the Teams Application form (typed not written)
One form for each competition is required
email to cazzabowers@gmail.com

We will not include you in our selection if we don't have a form from you and you risk being put into a composite or mixed team by the organising Branch rather than with other Woodland members.

Details of teams will be circulated around a week or so prior to each competition (earlier for Regional and Area Competitions) along with a reminder about conduct and tack and turnout. You will be required to acknowledge this information by return of email.
