This event is part of the CHEVAL LIBERTE AREA 6 Show Jumping League for ALL classes

The League will run across the stated height Classes above, involving as many Area 6 members as possible. Members will not have to register or pay to be a part of it but will automatically be entered by competing at this participating competition.

The Show Jumping League will be administered by the Area Rep. He will be responsible for compiling and updating the league table after each competition and publishing the results.

Riders may ride more than one horse at any or the same level as each horse/rider combination will be awarded points separately. Please note you must enter each event using the same name for your horse/pony at every competition you attend, otherwise your points will go to each horse name you ride.

For assisted and non-assisted classes where competitors enter assisted and unassisted classes, they can only gain points in one class – that one class will be the higher level.

TEAMS – teams can consist of pony club members and non members who are entered individually in that class. Teams members must be nominated via horse events when entering as an individual.

Times will be available on Thursday 24th October on www.ponyclubresults.co.uk
