

# CHPC Camp - one of the highlights of the year!

## 2024 Dates:

**Senior Residential Sunday 4th – Thursday 8th August 2024**

**Junior Camp Wednesday 7th – Friday 9th August 2024**

**Senior Residential Camp is open to those current year 7 and above. It is a five day camp.**

Members have the option to sleep overnight in tents. These are allocated according to age and ride so that no-one is left out.

It is a wonderful chance to try out new activities, to build friendships and to develop your horsemanship skills.

The camp is fully catered – we encourage families to assist by providing meals and you will definitely be asked to bring a cake!

We have a team of wonderful Camp Mums, who sleep over for the duration, organise brilliant unmounted activities for evenings and make sure that everyone is ok.

Horses and ponies stay on site in temporary stables. Their welfare is overseen by a very experienced Stable Manager who also sleeps over every night, pitching a caravan next to the stables.

**Junior Camp is a three day non-residential camp open to all members from lead rein upwards.**

This takes place at one of our most beautiful venues, alongside Senior Camp. The entire estate is open to the children.

Un-mounted activities include swimming every lunch time and picnics in the lorry park. Lots of cake, games and a competition on day two, makes the three days very memorable and helps cement great friendships.
