PONY CLUB

Welcome to 1st edition of our Newsletter

All agreed photos & updates of our pony club members either at PC rallies & PC competitions or other non PC horse event achievements that would like to be added to our newsletter can be sent via email to :

pjrt00@hotmail.co.uk

Or via FB messenger to:

Pauline Richards-Thomas

Any photos that include images of other children or individuals will need that persons / parent or guardians permission prior to publication.

GOOD LUCK

Good luck to all our pony club members who are competing this weekend at our own NCPC Tetrathlon and HunterTrial at Southcott, Winkleigh. Photos and updates to follow in our next newsletter.

Successful PC Rallies throughout May

We have seen some excellent riding skills and witnessed our younger and older members of the club enjoying our new calender of rallies in a variety of places throughout May. Showjumping at The Grange with Claire, Xc training at Porth with Becky and at Lower Tokenbury. A visit to the vets which has been a favourite rally over the years.

We have a lovely write up from one our keen members Lily Wood on the next page.

We spent an evening learning about teeth from Evie the Vet. Firstly we went on a weigh scale which they use to weigh horses to check your pony isn't too fat or too thin. Then Evie showed the equipment she uses for taking out teeth and treating them. The best bit was in real life we saw Evie doing an examination on Oscar he had a gag in his mouth and he was very sleepy. Evie used an electric grinder to smooth the sharp teeth. After that we looked at the photos of bad teeth and x-rays of a horse's teeth and other parts of it. Horses teeth never stop growing !

By Lily Wood

Congratulations to Members Achievements & Triumphs

A huge well done to Grace Tucker who attended Hickstead representing her school Launceston college her team made the 500 mile round trip to the National Schools Equestrian finals competing against hundreds of riders and school teams from all corners of the UK.

A huge effort by all involved, what an achievement to get there and be part of such a huge event. Our own amazing Grace achieved an awesome individual 5th place.

Another huge well done to Ella-May for her first British showjumping competition on her Ginger Boy “Harry”.

Team Red accomplished a fantastic result on their first BS outing by achieving a 1st place in the Senior British Novice at Colraine. & a 4th place in the National Amateur 95 Qualifier.

Please send in your achievements and triumphs both within and outside the pony club for a mention of recognition in our monthly Newsletter, email pjrt00@hotmail.co.uk or send via facebook messenger to Pauline Richards-Thomas.

Please be aware all photos submitted will be checked to ensure no breach of data protection implications and any photos of children will need parents / guardians written permission to share in the Newsletter, on social media and on the North Cornwall website.
