GRANTHAM MERES LEISURE CENTRE, GRANTHAM**

Open Girls National Tri Finals

2nd Trinity Clement

Trinity had a good day in Grantham at the National Tri Champs.

She was disappointed with her 840 shoot. She has been practicing all week and it had been going so well that she was hoping for more.

She then had the swim which went brilliantly, and she matched her PB of 10 lengths and 15m. Finally, it was the run. The weather was perfect, dry but not too hot. Trinity had a really good run, knocking 10 seconds off her PB and winning her heat.

Unfortunately, it was not quite enough to take the win overall, but she was a very close second place in a really strong field.
