

WVPC Annual Awards and Trophies

At our AGM, we award cups to recognise competitive achievements during the previous year. These are in addition to the cups awarded at Camp and are principally awarded on the basis of competitive performance at the relevant Area competitions and the Pony Club Championships. As such, the cups are awarded to those members who had the best results for the appropriate discipline at each level. The only exception to this is for the younger age groups such as the Minis where cups are awarded on the basis of nominations from the relevant team managers and instructors.

Each Team Manager nominates a member for each cup and these are then consolidated. The final list is then provided to an independent panel comprising our Chief Instructor, Kim George, and former District Commissioner, Geoff Andrews. This panel then either endorses the nominations or makes appropriate changes and this is the final list of awards.

Colours are also awarded to members when they compete for WVPC for the first time in a specific discipline (e.g. show-jumping) or at a new level (e.g. Novice or Intermediate). Championship trophies are also awarded at the AGM for those who competed in any discipline at the various championships.

General, overall awards
